Tommy Cabot Was Here Sep 08 2020 Massachusetts, 1959: Some people might accuse mathematician Everett Sloane of being stuffy, but really he just prefers things a certain way: predictable, quiet, and far away from Tommy Cabot-his former best friend, chaos incarnate, and the man who broke his heart. The youngest son of a prominent political family, Tommy threw away his future by coming out to his powerful brothers. When he runs into Everett, who fifteen years ago walked away from Tommy without an explanation or a backward glance, his old friend's chilliness is just another reminder of what a thoroughgoing mess Tommy has made of his life. When Everett realizes that his polite formality is hurting Tommy, he needs to decide whether he can unbend enough to let Tommy get close but without letting himself get hurt the way he was all those years ago.

The Voyages of the Cabots Jul 27 2019

She Went All the Way Jul 19 2021 There are a few places screenwriter Lou Calabrese would rather be than crammed into a helicopter with Jack Townsend, star of her claim to fame, *Copkiller*, and whose ex just ran off with Lou's ex. Talk about uncomfortable. But when, halfway out to the isolated arctic location where *Copkiller IV* is currently shooting, their pilot turns murderous and their helicopter crashes, Lou realizes her day has just gotten a lot worse. Now, while family and friends back home fret over her disappearance, Lou is on the run in the arctic wilderness with America's sweetheart Jack Townsend and only the contents of her purse, his pockets, and their mutual knowledge of survival movie trivia to keep them alive. Can these two children of Hollywood put aside their differences and make it back home without killing each other? Or much, much worse, actually start to like one another?

Peter Cabot Gets Lost Mar 27 2022 Summer 1960: After years of scraping by, Caleb Murphy has graduated from college and is finally getting to start a new life. Except he suddenly has no way to get from Boston to Los Angeles. Then, to add to his misery, there's perfect, privileged Peter Cabot offering to drive him. Caleb can't refuse, even though the idea of spending a week in the car with a man whose luggage probably costs more than everything Caleb owns makes him want to scream. Peter Cabot would do pretty much anything to skip out on his father's presidential campaign, including driving across the country with a classmate who can't stand him. After all, he's had plenty of practice with people not liking him much—his own family, for example. The farther Peter gets from his family's

expectations, the more he starts to think about what he really wants, and the more certain he becomes that what he wants is more time with prickly, grumpy Caleb Murphy. As they put more miles between themselves and their pasts, they both start to imagine a future where they can have things they never thought possible.

Explore with John Cabot Dec 12 2020 This fascinating book follows the travels of Italian navigator John Cabot along the northeast coast of North America.

Presented in an entertaining tabloid style, topics include: what led Cabot to sail west, life on board ship, the cod industry on the Grand Banks of Newfoundland, the fate of Cabot's unsuccessful second voyage, and Cabot's legacy.

Passion for Reality Oct 29 2019 Paul Cabot (1898–1994) was an innovative mutual fund manager and executive known for his strong character, charismatic personality, and trendsetting financial achievements. Iconoclastic and rebellious, Cabot broke free from the Boston Brahmin trustee mold to pursue new ways of investing and serving investment clients. Cabot founded one of the first mutual funds—State Street Investment Corporation—in the early 1920s, campaigned against the corrupt practices of certain other funds in the late 1920s, and lobbied on behalf of key New Deal securities legislation in the 1930s. As Harvard University treasurer, he increased the allocation of the endowment to equities just in time for the bull market of the 1950s, and as a corporate director in the 1960s he campaigned against conglomerates' abusive takeover strategies. Having spent nearly two decades working for Cabot's company, State Street Research & Management, as an analyst, research director, portfolio manager, and chief investment officer, Michael R. Yogg is well positioned to share the secrets behind Cabot's extraordinary success and relate the life of an extraordinary man. Cabot pioneered the use of fundamental stock analysis and was likely the first to take up the progressive practice of interviewing company managements. His accomplishments all stemmed from his passion for facts, finance, and creative thinking, as well as his unbreakable will, facets Yogg illuminates through privileged access to Cabot's papers and a wealth of interviews.

Cabot Wright Begins: A Novel Oct 22 2021 Cabot Wright Begins, first published in 1964, may be one of the most neglected masterpieces in post–World War II American literature. Cabot Wright is a handsome, Yale-educated stockbroker and scion of a good family. He also happens to be the convicted rapist of nearly three hundred women. Bernie Gladhart is a naive used-car salesman from Chicago, who—spurred on by his ambitious wife—decides to travel to Brooklyn and write the Great American Novel about the recently paroled Cabot Wright. As Bernie tries to track down Wright in Brooklyn, he encounters a series of bizarre and Dickensian characters and sets in motion an extraordinary chain of events. In this merciless and outrageous satire of American culture, cult writer James Purdy is unsparing and prophetic in his portrayal of television, publishing, Wall Street, race, urban

poverty, sex, and the false values of American culture in a work compared to *Candide* by Susan Sontag. Considered too scabrous for the stifling culture mores of the early 1960s, Purdy's comic fiction evokes "an American psychic landscape of deluded innocence, sexual obsession, violence and isolation" (New York Times).

Prom Nights from Hell Jul 31 2022 Five amazing authors. Five unforgettable stories. In this exciting collection of paranormal tales, best-selling authors Stephenie Meyer (*Twilight*), Kim Harrison (*Once Dead, Twice Shy*), Meg Cabot (*How to Be Popular*), Lauren Myracle (*ttyl*), and Michele Jaffe (*Bad Kitty*) take prom mishaps to a whole new level—a truly hellish level. Wardrobe malfunctions and two left feet don't hold a candle to discovering your date is the Grim Reaper—and he isn't here to tell you how hot you look. From angels fighting demons to a twisted take on getting what you wish for, these five stories will entertain better than any DJ in a bad tux can. No corsage or limo rental necessary. Just good, creepy fun.

No Words Nov 22 2021 Meg Cabot, #1 New York Times bestselling author of *The Princess Diaries*, returns to Little Bridge Island with a new story about a children's book author with a case of writer's block and an arrogant novelist who have to set aside their differences as they get through a weekend long book festival that just might change everything—including their feelings for each other. Don't Judge a Book by Its Author... Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys. Jo Wright always swore she'd never step foot on Little Bridge Island—not as long as her nemesis, bestselling author Will Price, is living there. Then Jo's given an offer she can't refuse: an all-expense paid trip to speak and sign at the island's first ever book festival. Even though arrogant Will is the last person Jo wants to see, she could really use the festival's more-than-generous speaking fee. She's suffering from a crippling case of writer's block on the next installment of her bestselling children's series, and her father needs financial help as well. Then Jo hears that Will is off-island on the set of the film of his next book. Hallelujah! But when she arrives on Little Bridge, Jo is in for a shock: Will is not only at the book festival, but seems genuinely sorry for his past actions—and more

than willing not only to make amends, but prove to Jo that he's a changed man. Things seem to be looking up—until disaster strikes, causing Jo to wonder: Do any of us ever really know anyone?

The Jewels of the Cabots Jan 31 2020 In this fabulous short story, the crown jewel of John Cheever's Pulitzer Prize-winning collection *The Stories of John Cheever*, a man agonizes about class privilege and racism, confessing to the knowledge of a terrible crime and exposing a quiet American family's darkest secrets. Wandering about the sleepy Connecticut town of his childhood, where residents lead lives of grueling boredom, a journalist reminisces about the Cabot children: Molly, a sweet girl and his first love; Geneva who pilfered her mother's diamonds from the clothesline and ran off to the Middle East; Wallace, Mr. Cabot's bastard son who lives in the tenements across the river; and the dwarf, Mrs. Cabot's child from an earlier marriage. An ebook short. A Vintage Shorts "Short Story Month" Selection.

The New Chardonnay Jul 07 2020 "The inside scoop on how marijuana landed on Main Street . . . and why it's coming soon to a city near you."—Katie Couric From gleaming dispensaries stocked with elegantly wrapped edibles to the array of CBD lotions and oils for sale at your local drugstore to tastemaker Martha Stewart cooking up marijuana munchies on prime-time television, one thing is clear: Pot has fully shed its stoner image. In this deeply reported journey into the new world of legal cannabis, award-winning reporter Heather Cabot takes readers on the road with Snoop Dogg and his business partner Ted Chung as they roll out the star's own brand of bud; to California wine country, where chefs and vintners are ushering in a new age of elevated dining; on wild adventures with marijuana mogul Beth Stavola, for whom fending off shady characters is just another day at the office; and to rural Canada to meet the Willy Wonka of Weed. Drawing on exclusive interviews with some of the biggest names in the world of cannabis, Cabot's book explores the confluence of social, economic, and political forces that have brought marijuana into the mainstream. Among them, outrage over the racial injustice of U.S. drug laws, the booming self-care industry catering to stressed-out professionals and busy parents in search of better sleep and more sex, seniors clamoring for natural alternatives to opioids to manage their aches and pains, and tens of millions of investor dollars fueling a frenetic "green rush" mentality. The story of an astonishing rebranding, *The New Chardonnay* explores how a plant that was once the subject of multimillion-dollar public service announcements came to spark new culinary trends; inspire new uses for health, beauty, and wellness; and generate hundreds of thousands of jobs and untold tax revenue—all while remaining federally illegal in America.

Blood of the Lamb May 17 2021 Father Thomas Kelly has been called to the Vatican. A Cardinal's desperate plea: find a missing document that contains a secret so shocking it could shatter the Church. Livia Pietro, in Rome, has been called before the Noantri Conclave. Her mission: join the Jesuit priest on his search—because one misstep could destroy her people as well. As Thomas and Livia are thrown into a treacherous whirlwind of art, religion, and age-old secrets, they find themselves pursued by enemies who will do anything to stop them. Only the Conclave knows the true gravity of the document's revelations. The Noantri—Livia and her people—are vampires. And the unimaginable secrets of their past are far too dangerous for man to ever know.

Abandon Jan 01 2020 New from #1 New York Times bestselling author Meg Cabot, a dark, fantastical story about this world . . . and the underworld. Though she tries returning to the life she knew before the accident, Pierce can't help but feel at once a part of this world, and apart from it. Yet she's never alone . . . because someone is always watching her. Escape from the realm of the dead is impossible when someone there wants you back. But now she's moved to a new town. Maybe at her new school, she can start fresh. Maybe she can stop feeling so afraid. Only she can't. Because even here, he finds her. That's how desperately he wants her back. She knows he's no guardian angel, and his dark world isn't exactly heaven, yet she can't stay away . . . especially since he always appears when she least expects it, but exactly when she needs him most. But if she lets herself fall any further, she may just find herself back in the one place she most fears: the Underworld.

The Cabot Voyages and Bristol Discovery under Henry VII Jan 13 2021 The voyages of John and Sebastian Cabot and their English contemporaries were made, for the most part, in search of a westward passage to Asia, and they resulted in the revelation of North America. The evidences are printed here, with an indication of their origins. Some are obscure in meaning, incomplete in statement, or mutually contradictory; and we are left with the certainty that important documents have existed or may now exist, which are still unknown. Dr Williamson interprets the evidence we have. Parts of his undertaking are in the nature of detective work and he does not claim that his solutions are final, which would be impossible in the face of new evidence that may at any time occur. Cabot study is a continuing mental adventure. The maps are an important category of the evidence. Mr R.A. Skelton of the British Museum has contributed a treatment of them, authoritative in its explanations, and a valuable admonition on what can and cannot be expected of the material. This is a new print-on-demand hardback edition of the volume first published in 1962.

No Offense Nov 30 2019 New York Times–bestselling author Meg Cabot returns with a charming romance between a children's librarian and the town sheriff in the second book in the Little Bridge Island series. Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas, and stunning sunsets—a place where nothing goes under the radar and love has a way of sneaking up when least expected... A broken engagement only gave Molly Montgomery additional incentive to follow her dream job from the Colorado Rockies to the Florida Keys. Now, as Little Bridge Island Public Library's head of children's services, Molly hopes the messiest thing in her life will be her sticky-note covered desk. But fate—in the form of a newborn left in the restroom—has other ideas. So does the sheriff who comes to investigate the “abandonment”. When John Hartwell folds all six-feet-three of himself into a tiny chair and insists that whoever left the baby is a criminal, Molly begs to differ and asks what he's doing about the Island's real crime wave (if thefts of items from homes that have been left unlocked could be called that). Not the best of starts, but the man's arrogance is almost as distracting as his blue eyes. Almost... John would be pretty irritated if one of his deputies had a desk as disorderly as Molly's. Good thing she doesn't work for him, considering how attracted he is to her. Molly's lilting librarian voice makes even the saltiest remarks go down sweeter, which is bad as long as she's a witness but might be good once the case is solved—provided he hasn't gotten on her last nerve by then. Recently divorced, John has been having trouble adjusting to single life as well as single parenthood. But something in Molly's beautiful smile gives John hope that his old life on Little Bridge might suddenly hold new promise—if only they can get over their differences. Clever, hilarious, and fun, *No Offense* will tug at readers' heartstrings and make them fall in love with Little Bridge Island and its unique characters once again.

When You Knew Jun 29 2022 An unlikely couple must decide what truly defines family. Gentry Cabot's rebellious life comes to a screeching halt when a one-night stand leads to a sobering new reality: motherhood. Exhausted and overwhelmed, the former wild child struggles to raise an infant on her own. After a lifetime of feeling like the odd Cabot out, Gentry knows that what her son needs most is family. For his sake, she plans to rebuild bridges with them, but first she needs a little help on the home front. Humanitarian worker Ian Crawford has devoted his life to service. Forced to temporarily return stateside, he's eager to head back to Haiti to expand the nonprofit he just founded in his late father's honor. He can't do that without money, so when Gentry offers a hefty paycheck for a short-term gig as a live-in nanny, he can't afford to say no. Ian expects to deal with a barrage of privileged problems. What he doesn't expect is how quickly being a makeshift father transforms him. Despite his growing attachment to Gentry and her child, Ian still has his dreams, and Gentry wants a full-time dad for her son. When the baby's father reenters the picture, will Gentry and Ian embrace the family they've formed or end up worlds apart?

John Cabot Oct 10 2020 John Cabot, an Italian navigator who sailed for Britain, was the first European to set foot on North America since the Vikings. Power of the Witch Mar 15 2021 The earth, the moon, and the magical path to enlightenment. Written by a practicing witch who conducts classes and seminars

on witchcraft—the oldest Western religion, a means of power and enlightenment, and a healing art. “Laurie Cabot has written a fascinating account of a beautiful and sadly misunderstood religion, witchcraft. She has with her life and work done a great deal to legitimize this ancient pagan form of worship. I am among the ecumenical Christians who have discovered the truth about witchcraft, that it is neither demonic nor evil. Power of the Witch is a marvelous introduction to the magical and highly ethical world of wicca.”—Whitley Strieber
