The Biological Diversity of Trinidad and Tobago Jun 16 2021 "Written for students at sixth form and undergraduate levels, and for 'the interested adult reader who might want to get a general feel for the subject', this is a systematic introduction to the rich diversity of Trinidad and Tobago's natural history, illustrated with maps and the author's own field photography. To manage a country's natural heritage effectively, the author argues, its organisms and ecosystems must be understood. Chronicling its degradation is not enough."--Publisher's description.

Labour and the Decolonization Struggle in Trinidad and Tobago Dec 23 2021 This book provides evidence that Labour in Trinidad and Tobago played a vital role in undermining British colonialism and advocating for federation and self-government. Furthermore, there is emphasis on the pioneering efforts of the Labour movement in party politics, social justice, and working class solidarity.

The Cruising Guide to Trinidad and Tobago, Plus Barbados and Guyana Aug 26 2019 Publisher's Review: Since 1994 Doyle's Cruising Guide to Trinidad and Tobago has set the standard for this area. This edition has been completely updated and includes both Barbados and Guyana. This is the first-ever cruising guide to the Essequibo in Guyana. It is the best-selling guide to the area for the following reasons: Excellent anchorage charts that are based on the authors' surveys and are very clear and detailed. Aerial photos are included for most anchorages. Like all Doyle's guides, it is beautifully printed in full color on glossy paper with lots of scenic photography. The navigational information is clear and concise, with GPS waypoints. The Doyle guides are unsurpassed for their onshore information, and this book is no exception, with excellent sections on exploring, carnival, eating out, and, for Trinidad, lots of details about boatyards and contractors. This guide is backed by his website which offers downloadable GPS waypoints and updates as well as general information and links to local businesses for both Trinidad and Tobago and Barbados. Some local advertising is included and most readers find it useful. Plus, it helps to keep the price of the book reasonable.

The Multi-Cultural Cuisine of Trinidad and Tobago and the Caribbean Apr 14 2021 A guide to the varied cuisines of Trinidad and Tobago.

Trinidad & Tobago - Culture Smart! Sep 07 2020 The twin Caribbean islands of Trinidad and Tobago could hardly be more different. Trinidad is vibrant, cosmopolitan, culturally diverse, and multiethnic, with a population descended from East Indian, African, Spanish, French, Dutch, American, Chinese, Syrian, and English forebears. This potent mix finds full expression in unbridled revelry each February with the celebration of Carnival—a dazzling, open-to-all-comers, mass participation street extravaganza of steel bands, calypso, dance, and the magnificent costumed bands "playing mas" (short for masquerade). Tobago, by contrast, is much quieter, predominantly rural, and a tranquil tropical idyll. Both islands have a history of slavery and indentured labor that, even today, engenders a determination in the people to live life as they choose rather than to order. "Trinis" are by nature friendly, outgoing, and hospitable. They are slow to anger and quick to walk away from confrontation. They have an infectious joie de vivre and a laid-back attitude to time—which foreigners can sometimes find frustrating. Culture Smart! Trinidad and Tobago explores the codes and paradoxes of Trinbagonian life, describing the many and varied traditions, customs, and cultures of its diverse society. It outlines the contrasting histories of the two islands, and opens a window into people's private lives, showing how they interact socially, and their attitudes to people who are "from foreign." It offers practical advice from business tips to how to play mas at Carnival. It aims to make that first trip to the two islands as rewarding as possible by taking you beyond the stereotypes to the real people

Historical Dictionary of Trinidad and Tobago Nov 09 2020 Historical Dictionary of Trinidad and Tobago contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture.

The Trinidad and Tobago Yearbook Apr 02 2020

A Birdwatcher's Guide to Trinidad & Tobago Jul 18 2021 Describes various sites that have been visited, verified and been given revised text. This book provides bar graphs of seasonal distribution and sections on selected species of birds. It has a brief summary of the islands' biota, lists of mammals, amphibians and reptiles. It has travel advice and information on local contacts and societies.

The Rough Guide to Trinidad and Tobago Nov 02 2022 The Rough Guide to Trinidad and Tobago is the definitive guide to these high-spirited twin islands. White-sand beaches, swaying palms, and reef-studded waters are all here for the taking, but Trinidad and Tobago turn the Caribbean stereotype on its head, offering a whole lot more than sun and beach life. The Rough Guide to Trinidad and Tobago gives you insider information on everything from watching leatherback turtles lay eggs on the beaches, to navigating the multitude of Carnival fetes and Calypso tents and playing "mas" on the streets of Port of Spain. Up-to-date listings and tips give you the lowdown on the islands' brilliant dining and nightlife scenes. And from boutique hotels on the sand to budget rooms, local guesthouses to lavish villas, our accommodation reviews will help you find a room that suits your needs. Whether your tastes are striking out on rainforest hikes, cooling off in hidden waterfalls, or exploring Hindu temples and Indo-Trinidadian food, The Rough Guide to Trinidad and Tobago will ensure you get the very best out of your stay.

Sweet Hands Jan 30 2020 New full color edition! Inspired by memories of her father and her own experiences on the islands, Ramin Ganeshram introduces readers to the cuisine of Trinidad & Tobago, where African, Indian, Chinese, Syrian and British culinary influences come together in a unique blend. This new full color 3rd edition of Sweet Hands has been completely revised and updated with numerous new color photos, over a dozen new recipes, and a fresh user-friendly design. Interspersed among the 170 recipes are cultural and travel notes that give readers a true taste of Trinidad's rich, fascinating history. Also includes a foreword by former New York Times food columnist Molly O'Neill.

Trinidad and Tobago and Guyana Sep 27 2019 In this book an attempt is made to probe more carefully the processes by which social and ethnic problems, as these pertain to Caribbean countries, Trinidad and Tobago and Guyana, are conveyed to the political arena and the mechanisms by which they determine critical outcomes. The authors of this book have accordingly distinguished between predisposing factors and what are described as triggering mechanisms. The factors that trigger dramatic changes will differ between Guyana and Trinidad and Tobago. In short, while in some respects these societies are similar, in others, there are dramatic differences in their respective histories and political developments. This

study begins with a survey of the literature on race relations and their connections with politics; it then proceeds to examine the context for the insertion of the two major groups into these societies, the emergence of ethnic groups, and their relationships with political organizations. The nature and politics of the leaders are then analyzed along with the political structures with a view to identifying what factors were responsible for the differing political experiences of both countries.

Trinidad and Tobago - Culture Smart! Jul 30 2022 "The essential guide to customs & culture"--Cover

Trinidad and Tobago Jan 24 2022

Folklore & Legends of Trinidad and Tobago Oct 01 2022 Folklore stories that make your hair stand on end! The folklore of Trinidad and Tobago has pan-Caribbean appeal, as it is shared in common with many former French territories in the region from Louisiana to Haiti, Guadeloupe, Martinique, Dominica and St. Lucia. The beautifully illustrated book has been celebrated as a milestone publication in Trinidad and Tobago.

The Rough Guide to Trinidad & Tobago Aug 19 2021 The Rough Guide to Trinidad & Tobago is the definitive guide to these lively twin islands. Beautiful white-sand beaches, swaying palms and reef-studded waters are all on offer, but there's more to Trinidad and Tobago than sun and beach life: Tobago is home to one of the densest populations of bird species in the world, and the oldest protected rainforest in the western hemisphere. Up-to-date listings and tips give you the lowdown on the islands' brilliant dining and nightlife scenes. And from boutique hotels on the sand to budget dorms, local guesthouses to lavish villas, our accommodation reviews will help you find a room that suits your needs. The Rough Guide to Trinidad & Tobago also gives you insider information on everything from watching leatherback turtles lay eggs on the beaches, to navigating the multitude of carnival fetes and Calypso tents. So whether you feel like striking out on rainforest hikes, cooling off in hidden waterfalls, or exploring Hindu temples and Indo-Trinidadian food, The Rough Guide to Trinidad & Tobago will ensure you get the very best out of your stay. Make the most of your time on Earth with The Rough Guide to Trinidad & Tobago.

Trinidad and Tobago Oct 09 2020 Trinidad & Tobago offer a fantastically cosmopolitan mix of cultures. From dancing to calypsoes at the Trinidad carnival to relaxing in one of Tobago's glorious bays, they make a fascinating travel destination. Footprint's Handbook provides invaluable information on transport, accommodation, eating and entertainment to ensure that your trip includes the best of these diverse islands.- Essentials section with useful advice on getting to and around Trinidad and Tobago.- Comprehensive, up-to-date listings of where to eat, sleep and play.- Includes information on tour operators and activities, from spotting wildlife in the wetlands to snorkelling in clear, coral-filled waters.- Detailed maps for Trinidad and Tobago.- Slim enough to fit in your pocket. With detailed information on all the main sights, plus many lesser-known attractions, Footprint's Trinidad and Tobago Handbook provides concise and comprehensive coverage of one of the Caribbean's most varied regions.

The East Indian Problem in Trinidad and Tobago 1953-1962 Terror and Race War in Guyana 1961-1964 Nov 21 2021 "This book deals with British colonial strategy in its colonies of Trinidad and Tobago and British Guiana/Guyana to deal with an East Indian threat to the political order it desired in the run up to independence for Trinidad and Tobago in the 1960's and the threat of Communist subversion in Guyana in the 1950's and 1960's. In both instances the British strategy called for the creation of a racist political order that destroyed the East Indian threat in Trinidad and Tobago and placed a minority race in power through successive fraudulent elections until the decade of the 1990's in Guyana. The British legacy in both instances is a racist social order premised upon racist hegemony."

Trinidad and Tobago Adventure Guide Dec 11 2020 Although definitely a part of the Caribbean, these two islands are unique, refusing to conform with the stock Caribbean image created by glossy brochures and travel agencies. They are both generous and Caribbean-spirited, but quite capable of going their own way. This Adventure Guide takes you across the nation from mountains and hills to grasslands, savannahs and palm-lined beaches,

offering the intrepid traveler a ticket to explore. Birdwatchers are drawn by the chance to see the beautiful scarlet ibis. Night-time excursions allow visitors to watch the miraculous egg-laying practices of the leatherback turtle. And caiman smaller versions of the South's alligators are a common sight. And then there's Carnival, which offers wild dances, fantastical costumes and frenzied revellers. Whatever your reason to visit T&T, you have the right guide in hand. Accommodations, restaurants, travel tips, sights, museums, excursions it's all here. A special section is dedicated to the nation's booming yachting industry, with details on marinas, facilities and services. "I wish I'd had this book the first time I visited Trinidad and Tobago. The book fully describes the culture of these island people and this knowledge would make a trip to these wonderful islands even more enjoyable. I also believe it's a good choice for readers who can't make the trip but still want to taste the culture." -- Amazon customer "I've been to TNT once for two weeks and am returning again in a few months. I bought the book to refresh my memory and, more importantly, get me excited about my return trip. It's a great read, and as the back cover suggests, it really is written for the traveler who wants to experience more than just sunbathing. However, once you've been to Trindad and Tobago, you discover that they are not your generic Caribbean islands. Visiting Trindad and Tobago is more of a cultural vacation than an island getaway. Once you step foot off the plane at Piarco airport, you'll never want to leave, or you'll want to go back once every year. The two islands are full of charisma, and O'Donnell and Pefkaros do a good job of capturing this spirit in the book. You really cannot be intimidated by the cultures of TNT. From the street vendor corn soup, to crab and dumplings, "down de islands", Maracas, Pigeon Point, Speyside, fried flying fish, Caribs, lorries, maxis, wining, Trinidad's great bar/club scene, the Northern Range, etc. - this book virtually covers all Trinidad and Tobago vacation opportunities and experiences." -- Amazon customer "An excellent take-long tote, as is the more adventurous Trinidad & Tobago, 2nd Edition by Kathleen O'Donnell and Stassi Pefkaros, which updates information on adventure travel with special focus on the wildlife and culture of the islands." -- Midwest Book Review

The People of the Windward Islands, Trinidad and Tobago, and Curacao, 1620-1860 Oct 28 2019

Trinidad & Tobago Jun 04 2020 The country of Trinidad and Tobago consists of two large islands and several smaller landmasses in the Caribbean Sea, off the northeast coast of South America. Once a British colony, today Trinidad and Tobago is among the most prosperous and developed of the Caribbean nations. Many international companies have established factories or facilities on the island, and it is a leading producer of oil and natural gas. The two main islands that give the country its name are very different. Trinidad, the larger island, is densely populated. It is home to steel mills, oil fields, factories, livestock farms, and sugarcane estates, and has become a regional financial center. The mountainous island of Tobago, on the other hand, is far less developed. Located about 20 miles (32 kilometers) to the northeast of Trinidad, Tobago's economy depends heavily on tourism. There's a lot to discover about Trinidad and Tobago! Each title in this series contains color photos, maps, a chronology of events related to the country, recipes, list of festivals, ideas for projects and reports, and back matter including: an index, further reading lists for books and internet resources, and a series glossary. Mason Crest's editorial team has placed Key Icons to Look for throughout the books in this series in an effort to encourage library readers to build knowledge, gain awareness, explore possibilities and expand their viewpoints through our content rich non-fiction books. Key Icons are as follows: Words to Understand are shown at the front of each chapter with definitions. These words are then used in the prose throughout that chapter, and are emboldened, so that the reader is able to reference back to the definitions- building their vocabulary and enhancing their reading comprehension. Sidebars are highlighted graphics with content rich material within that allows readers to build knowledge and broaden their perspectives by weaving together additional information to provide realistic and holistic perspectives. Text Dependent Questions are placed at the end of each chapter. They challenge the reader's comprehension of the chapter they have just read, while sending the reader back to the text for more careful attention to the evidence presented there. Research Projects are provided at the end of each book and provide readers with

suggestions for projects and reports that encourage deeper research and analysis. A Series Glossary of Key Terms is included in the back matter contains terminology used throughout the series. Words found here broaden the reader's knowledge and understanding of terms used in this field. *A Guide to the Birds of Trinidad and Tobago* Jun 28 2022 This is a guide to the birds of Trinidad and Tobago, two islands which hold many Neotropical species not found elsewhere in the Caribbean, and with a total bird list of over 450 species, It includes field habitats and status, range and subspecies, diet, nesting and behaviour.

Ticks of Trinidad and Tobago - an Overview Nov 29 2019 Ticks of Trinidad and Tobago: An Overview explores tick species prevalent in Trinidad and Tobago (T&T), their distribution, associated pathogens, their effects on the host, and control methods. The book also reviews the basic biology of ticks. Ticks are known to parasitize a wide range of hosts including mammals, reptiles and birds. These parasites are of veterinary and public health significance since they are responsible for the spread of a number of pathogens to humans and animals. Worldwide, ticks are responsible for billions of dollars in losses in the livestock industry annually due to the effects of these pathogens. Based on review of the literature from more than five decades, twenty-three species of both hard and soft tick have been discovered on the twin-island republic with a greater number of species in Trinidad. Tick genera observed and recorded included Argas, Ornithodoros, Amblyomma, Dermacentor, Haemaphysalis, Ixodes, and Rhipicephalus species. The tick species found in Trinidad and Tobago parasitize both wild and domestic species. Hosts include bats, fowl, equids, wild and domestic ruminants, birds, rodents, marsupials, and a variety of reptiles such as toads, tortoises, and snakes. Based on geographical location, most tick species discovered in T&T have also been recorded in other Caribbean islands in the archipelago, North, Central and South America. Both soft and hard tick species found in T&T have also been implicated in a number of blood-borne pathogens including Borrelia, Ehrlichia, Babesia, Hepatozoon, Rickettsia, and Anaplasma. Examines the biology of tick species on hosts endemic to Trinidad and Tobago Provides pictorial keys Facilitates identification, prevention, and control of tick-borne diseases in the tropical region Assists with diagnosing tick-borne diseases

The Portuguese of Trinidad and Tobago Oct 21 2021 Traditionally a navigating and migratory people, Portuguese settlers came to the Caribbean as early as the seventeenth century. The ancestors of the modern Portuguese community in Trinidad and Tobago hailed from the archipelago of

Madeira, fleeing their homeland in search of an economic and religious haven from the 1830s onwards. They came neither to explore nor to conquer, had no history of land and slave ownership in the Caribbean, and they came without prestigious family names or old money. Yet within a few generations, struggles were overcome to push the community to the forefront of national life, in the areas of business, politics, religion and culture. Bound by language and traditions, the Portuguese were able to work together for their common good, the result of which was a proliferation of Portuguese businesses of various sizes and descriptions all over the country. Though few in number, the Portuguese contribution to their adopted homeland is of a significance beyond the small size of the community. Every migrating group has a tale to tell. For years, the tale of the Madeirans in Trinidad and Tobago and Luso-Trinidadians and Tobagonians has gone untold. Here is an attempt to tell their story in the context of culture and entrepreneurship. --

Historical Dictionary of Trinidad and Tobago Jan 12 2021 "Author claims to have included well-known individuals like Eric Williams and C.L.R. James, as well as less well-known figures like Sookoo. In addition to citing individuals such as Princess Margaret, who merely visited Trinidad and Tobago, he has included names of horses, ships, games, etc., while omitting major figures such as Francis De Ridder. Of some use nonetheless"-- Handbook of Latin American Studies, v. 58.

Trinidad and Tobago Feb 22 2022 This volume describes the English and English Creole of Trinidad and Tobago. Sources from the early 19th through late 20th centuries are gathered from a wide range of materials: novels, editorials, advertisements, cartoons, proverbs, newspaper articles, plays, lyrics of traditional songs and calypsos, and oral interviews. Many of the older texts are now made easily accessible for the first time. The introduction includes descriptions of the historical background, the sound system, grammar and vocabulary, speech styles, social and linguistic interaction of Creole and English, and implications for education and spelling. The older sources demonstrate much closer links to other Caribbean English Creoles than previously recognized. The texts and recordings of oral interviews are invaluable resources for researchers and teachers in linguistics, Creole Studies, Caribbean studies, literature, anthropology and history.

Trinidad and Tobago Jun 24 2019 Trinidad and Tobago is the most southern of the Caribbean chain and offers some of the world's best diving. Over recent years dive holidays have greatly increased in popularity in the twin island state and they boast a large number of exciting dive locations with ideal conditions and clear waters. Tobago is particularly blessed in this regard. This comprehensive Macmillan Caribbean Dive Guide contains a wealth of information both practical and technical for the experienced and beginner alike. Each of the dive descriptions has a depth range; an indication as to grade (beginner, intermediate and advanced) as well as an invaluable GPS location. The names and addresses of the dive centers are listed for each dive along with tips on what to look out for including a detailed marine life identification guide.

The Rough Guide to Trinidad and Tobago Mar 14 2021 A handbook to the diverse Caribbean nation that comprises the small island of Tobago and its more rural and much larger neighbour, Trinidad. Features include: critical listings of the best places to stay and eat; practical tips on how to explore; and coverage of the islands' cultural life, including Trinidad's world-famous carnival, traditional Indian festivals, indigenous music and local folklore. The guide also provides tips on birdwatching and exploring forested peaks and mangrove flats, as well as diving and snorkelling.

Bats of Trinidad and Tobago Jul 26 2019 "Bats of Trinidad and Tobago by Geoffrey A Gomes and Fiona A Reid, serves as a comprehensive natural history and field guide to all bat species recorded in Trinidad and Tobago. It includes an introduction to bat biology, i.e. bat physiology and ecological habitats, species distribution, population status, dietary ecology, species reproduction biology, and echolocation behaviour where known. Insight into Amerindian bat mythologies, local folklore as it relates to bats, and the exuberance of the Carnival Bat are also explored. The ways in which Trinidadian bats are helping to advance knowledge in the biomedical fields of cardiology, neurology, and human female reproductive issues are

revealed. The secret primordial relationships that exist between trees and bats are brought to light, including all indigenous, exotic and naturalised tree species known to benefit from seed-dispersal or pollination services provided by bats in the forests of Trinidad and Tobago. Practical guidance is provided on the humane eviction and exclusion of bats from dwellings and public buildings. Bats of Trinidad and Tobago is a wide-ranging, lavishly illustrated publication with full colour photos and art throughout"--Publisher's description.
