Patricia Highsmith: Her Diaries and Notebooks: 1941-1995 Jul 25 2019 New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young "Pat" lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O'Connor and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted Strangers on a Train. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: "What is the life I choose?" Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith's diaries convey her euphoric writing The Price of Salt (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable The Talented Mr. Ripley (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be "a few usable things in literature." A memoir as significant in our own century as Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, Patricia Highsmith: Her Diaries and Notebooks is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence.

My City, My New York Sep 30 2022 What do famous people love to do during their free time in the Big Apple? Like all New Yorkers, even the well-known among them have cherished rituals that connect them to their city in a unique way—favorite restaurants, delis, museums, parks, galleries, landmarks, haunts, and hideaways. For one resident, it may be watching tango dancers on Saturday nights in Central Park; for another, it's riding a bike over the Brooklyn Bridge to get a slice of Grimaldi's pepperoni pizza and a view of the Manhattan skyline from across the East River. Perhaps it entails choosing from the many varieties of bread at Rock Hill Bake House in the Union Square Greenmarket or simply walking across 46th Street and ending up at the great Broadway hangout, Angus McDoue. In a refreshing step beyond the usual travel guides and tourist listings, My City, My New York quotes VIPs and gives readers something truly unique: a chance to experience Manhattan the way its most notable luminary residents do. The activities and establishments included are diverse, often eclectic, and, most importantly, nonexclusive—you don't need to be a celebrity to enjoy them. While offering new and creative possibilities for exploration, My City, My New York is also a love letter to the Big Apple and will touch even the most jaded New Yorkers. Celebrities include: - Matthew Broderick - Woody Allen - Bette Midler - Joan Rivers - Donald Trump - Chris Noth - Mayor Michael Bloomberg - Alex Rodriguez

Out of My Head Mar 01 2020 Adventures in cutting-edge ideas about consciousness, from bestselling non-fiction writer Tim Parks. Hardly a day goes by without some discussion about whether computers can be conscious, whether our universe is some kind of simulation, whether mind is a unique quality of human beings or spread out across the universe like butter on bread. Most philosophers believe that our experience is locked inside our skulls, an unreliable representation of a quite different reality outside. Colour, smell and sound, they tell us, occur only in our heads. Yet when neuroscientists look inside our brains to see what's going on, they find only billions of neurons exchanging electrical impulses and releasing chemical substances. Five years ago, in a chance conversation, Tim Parks came across a radical new theory of consciousness that undercut this interpretation. This set him off on a quest to discover more about this fascinating topic and also led him to observe his own experience with immense attention. Out of My Head tells the gripping, highly personal, often surprisingly funny, story of Tim Parks' quest to discover more about this fascinating topic. It frames complex metaphysical considerations and technical laboratory experiments in terms we can all understand. Above all, it invites us to see space, time, colour and smell, sounds and sensations in an entirely new way. The world will feel more real after reading it.

New York, My Village: A Novel Jul 29 2022 Exuberant storytelling full of very comedy, dark history, and devastating satire—by the celebrated and original author of the #1 New York Times bestseller, Say You're One of Them. From a suspiciously cheap Hell's Kitchen walk-up, Nigerian editor and winner of a Toni Morrison Publishing Fellowship Ekong Udousoro is about to begin the opportunity of a lifetime: to learn the ins and outs of the publishing industry from its incandescent epicenter. While his sophisticated colleagues meet him with kindness and hospitality, he is soon exposed to a colder, ruthlessly commercial underbelly—callous agents, greedy landlords, boorish and hostile neighbors, and, beneath a superficial cosmopolitanism, a bedrock of white cultural superiority and racist assumptions about Africa, its peoples, and worst of all, its food. Reckoning, at the same time, with the recent history of the devastating and brutal Biafran War, in which Ekong's people were a minority of a minority caught up in the mutual slaughter of majority tribes, Ekong's life in New York becomes a saga of unanticipated strife. The great apartment deal wrangled by his editor turns out to be an illegal sublet crawling with bedbugs. The lights of Times Square slide off the hardened veneer of New Yorkers plowing past the tourists. A collective antagonism toward the "other" consumes Ekong's daily life. Yet in overcoming misunderstandings with his neighbors, Chinese and Latino and African American, and in bonding with his true allies at work and advocating for healing back home, Ekong proves that there is still hope in sharing our stories. Akpan's prose melds humor, tenderness, and pain to explore the myriad ways that tribalisms define life everywhere, from the villages of Nigeria to the villages within New York City. New York, My Village is a triumph of storytelling and a testament to the life-sustaining power of community across borders and across boroughs.

**My Monticello** Sep 06 2020 "A badass debut by any measure--nimble, knowing, and electrifying." -Colson Whitehead, Pulitzer Prize-winning author of *The Nickel Boys* and *Harlem Shuffle* "...My Monticello" is, quite simply, an extraordinary debut from a gifted writer with an unflinching view of history and what may come of it." - *The Washington Post* Winner of the Weatherford Award in Fiction A 2022 Lillian Smith Book Awards A young woman descended from Thomas Jefferson and Sally Hemings driven from her neighborhood by a white militia. A university professor studying racism by conducting a secret social experiment on his own son. A single mother desperate to buy her first home even as the world hurtles toward catastrophe. Each fighting to survive in America. Tough-minded, vulnerable, and brave, Jocelyn Nicole Johnson's precisely imagined debut explores burdened inheritances and extraordinary pursuits of belonging. Set in the near future, the eponymous novella, "My Monticello," tells of a diverse group of Charlottesville neighbors fleeing violent white supremacists. Led by Da'Naisha, a young Black descendant of Thomas Jefferson and Sally Hemings, they seek refuge in Jefferson's historic plantation home in a desperate attempt to outlive the long-foretold racial and environmental unravelling within the nation. In "Control Negro," hailed by Roxane Gay as "one hell of a story," a university professor devotes himself to the study of racism and the development of ACMs (average American Caucasian males) by clinically observing his own son from birth in order to "painstakingly mark the route of this Black child too, one whom I could prove was so strikingly decent and true that America could not find fault in him unless we as a nation had projected it there." Johnson's characters all seek out home as a place and an internal state, whether in the form of a Nigerian widower who immigrates to a meager existence in the city of Alexandria, finding himself adrift; a young mixed-race woman who adopts a new tongue and name to escape the landscapes of rural Virginia and her family; or a single mother who seeks salvation through "Buying a House Ahead of the Apocalypse." United by these characters' relentless struggles against reality and fate, *My Monticello* is a formidable book that bears witness to this country's legacies and announces the arrival of a wildly original new voice in American fiction.

**My Name is New York** Feb 21 2022 Woody Guthrie's prolific output popularized folk music in the 1940s and his presence in New York City helped spark the 1960s folk revival. My name is New York, I'm a brick on a brick I'm a hundred folks running, and ten dying sick I'm a saint, I'm a sinner, a whore and her pimp Your ocean's the mirror I look in to primp. -"My Name Is New York," Woody Guthrie Dust bowl troubadour Woody Guthrie first arrived in New York City on February 16, 1940. Although he continued to ramble, for 27 years-- from 1940 until his death in 1967--New York was the city he called home and always returned to. For the first time, this wonderful New York story comes to life with historical photos, documents, and previously unpublished lyrics from the Woody Guthrie Archives. Highlighting 19 significant locations, this little guide provides an expansive yet intimate portrait of Woody Guthrie's NYC life. We invite you to walk the streets, ride the buses and subways, or sit down and relax on some of the stoops, park benches, or beaches where Woody Guthrie did--always strumming away on his guitar, always working on a new song. Many of Woody's most popular songs were written in apartments, lofts, and other locations around "New York Town." That song, along with "Jesus Christ," "Vigilante Man," "Hard Travelin'," "Tom Joad," "Reuben James," "All You Fascists Bound to Lose," and "1913 Massacre," are among the more than 600 he composed in the Big Apple. Most surprisingly, his iconic "This Land Is Your Land," was written at a small rooming house on 43rd Street and Sixth Avenue, on February 23, 1940 within a few days of his arrival. With new friends Pete Seeger, Lead Belly, Sonny Terry, and Brownie McGhee and the Almanac Singers he was at the center of a new movement--introducing and popularizing rural, roots, topical, and protest music to modern, urban audiences. *Workhorse* Dec 30 2019 A razor-sharp look at one woman's nearly two decades in the New York City restaurant, including her time working with Joe Bastianich, and what happens when your job consumes your life. By day, Kim Reed was a social worker to the homebound elderly in Brooklyn Heights. By night, she scrambled into Manhattan to hostess at Babbo, where even the Pope would have had trouble scoring a reservation, and A-list celebrities squeezed through the jam-packed entryway like everyone else. Despite her whirlwind fifteen-hour workdays, Kim remained up to her eyeballs in grad school debt. Her training--problem solving, crisis intervention, dealing with unpredictable people and random situations--made her the ideal assistant for the volatile Joe Bastianich, a hard-partying, "What's next?" food and wine entrepreneur. He rose to fame in Italy as a TV star while Kim planned parties, fielded calls, and negotiated deals from two phones on the go. Decadent food, summers in Milan, and a reservation racket that paid in designer bags and champagne were fun only inasmuch as they filled the void left by being always on call and on edge. In a blink, the years passed, and one day Kim looked up and realized that everything she wanted beyond her job--friends, a relationship, a family, a weekend without twenty ominous emails dropping into her inbox--was out of reach. *Workhorse* is a deep-dive into coming of age in the chaos of New York City's foodie craze and an all-too-relatable look at what happens when your job takes over your identity, and when a scandal upends your understanding of where you work and what you do. After spending years making the impossible possible for someone else, Kim realized she had to do the same for herself.
