Am I Someone (The Poetry) Mar 05 2020 AM I SOMEONE (The Poetry) is best described as a communion of words written from the heart, a place of truth. The author may best be described as the Rod McKuen of the 90's and beyond. He plunges deep into self, deep into glorious and painful memories, and deep into a conscious/unconscious life. And then he begins all over again.... Here is one heart, and one mind, reaching out to touch the hearts and minds of others. Dreams achieved through the words and emotions stirred through and through by never doubting he has loved. Love had! Love lost! Love abused and misused! And love, the substance of miracles when all else fails in a world that seems so lost unto itself. AM I SOMEONE (The Poetry) tells of life as an open invitation to cry, to laugh, to love, to live, and to die. It's a connection with the emotions we all feel and hear. A communion of life from the heart, a place of truth.

Each poem was written to be sung to an already popular tune. In addition to the 'final translations', the steps by which the translators proceeded from a literal, character-by-character translation through several intermediate stages to the final version are revealed in detail.

13th Balloon Jul 01 2022 In his fourth collection, 13th Balloon, Mark Bibbins turns his candid eye to the American AIDS crisis. With quiet consideration and dark wit, Bibbins addresses the majority of his poems to Mark Crast, his friend and lover who died from AIDS at the early age of 25. Every broken line and startling linguistic turn grapples with the genre of elegy: what does it mean to experience personal loss, Bibbins seems to ask, amidst a greater societal tragedy? The answer is blurred— amongst unforeseen disease, intolerance, and the intimate consequences of mismanaged power. Perhaps the most unanswerable question arrives when Bibbins writes, “For me elegy/ is like a Ouija planchette/ something I can barely touch/ as I try to make it/ say what I want it to say.” And while we are still searching for the words that might begin an answer, Bibbins helps us understand that there is endless value in continuing—through both joy and grief—to wonder.

Thirteen Ways of Looking for a Poem Apr 29 2022 Thirteen Ways of Looking for a Poem is grounded in the belief that the best way to learn to write poetry - and improve one's writing in general - is through practice. The book's unique approach - teaching the elements of poetry through various poetic forms - encourages students to learn from existing models and to break free from pre-established constraints. In thirteen chapters centered on the sonnet, the haiku, and other traditional and not-so-traditional forms, the author demonstrates through numerous innovative exercises the many ways in which beginning poets can enrich their writing by studying and practicing poetic form.

A Little Book on Form Jun 27 2019 An acute and deeply insightful book of essays exploring poetic form and the role of instinct and imagination within form—from former poet laureate, Pulitzer Prize and National Book Award winning author Robert Hass. Robert Hass—former poet laureate, winner of the National Book Award, and recipient of the Pulitzer Prize—illuminates the formal impulses that underlie great poetry in this sophisticated, graceful, and accessible volume of essays drawn from a series of lectures he delivered at the renowned Iowa Writers' Workshop. A Little Book on Form brilliantly synthesizes Hass's formidable gifts as both a poet and a critic and reflects his profound education in the art of poetry. Starting with the exploration of a single line as the basic gesture of a poem, and moving into an examination of the essential expressive gestures that exist inside forms, Hass goes beyond approaching form as a set of traditional rules that precede composition, and instead offers penetrating insight into the true openness and instinctiveness of formal creation. A Little Book on Form is a rousing reexamination of our longest lasting mode of literature from one of our greatest living poets.

On the Thirteenth Stroke of Midnight Jul 09 2020 POETRY TEXTS & ANTHOLOGIES. This is the first anthology of British surrealist writing in the world. Herbert Read's words when he opened the 'Surrealist Poems and Objects' exhibition at the London Gallery at midnight on 24 November 1937 provide the title. The British surrealist movement was, as it were, ploughed under by the Second World War which, as Read spoke, was gathering force. Yet Surrealist output was vibrant and - at its best - durable, and now takes its place in the wider European context of literary Surrealism. Remy's anthology represents one coherent and deeply committed aspect of British poetry between 1930 and 1980. It was the only surrealist movement in Europe to be active, and freely so, during World War II. Here the original texts, most of them unfindable or previously unpublished, emerge from what proved a temporary oblivion. The work is fascinating, stimulating and various. British surrealist writing is at last given a chance to voice its subversion.

An English Anthology of Prose and Poetry, Shewing the Main Stream of English Literature Through Six Centuries. (14th Century-19th Century) Jul 29 2019

From Song to Book May 31 2022 As the visual representation of an essentially oral text, Sylvia Huot points out, the medieval illuminated manuscript has a theatrical, performative quality. She perceives the tension between implied oral performance and real visual artifact as a fundamental aspect of thirteenth- and fourteenth-century poetics. In this generously illustrated volume, Huot examines manuscript texts both from the performance-oriented lyric tradition of chanson courtoise, or courtly love lyric, and from the self-consciously literary tradition of Old French narrative poetry. She demonstrates that the evolution of the lyrical romance and dit, narrative poems which incorporate thematic and rhetorical elements of the lyric, was responsible for a progressive redefinition of lyric poetry as a written medium and the emergence of an explicitly written literary tradition uniting lyric and narrative poetics. Huot first investigates the nature of the vernacular book in the thirteenth and fourteenth centuries, analyzing organization, page layout, rubrication, and illumination in a series of manuscripts. She then describes the relationship between poetics and manuscript format in specific texts, including works by widely read medieval authors such as Guillaume de Lorris, Jean de Meun, and Guillaume de Machaut, as well as by lesser-known writers including Nicole de Margival and Watriquet de Couvin. Huot focuses on the writers' characteristic modifications of lyric poetics; their use of writing and performance as theme; their treatment of the poet as singer or writer; and of the lady as implied reader or listener; and the ways in which these features of the text were elaborated by scribes and illuminators. Her readings reveal how medieval poets and book-makers conceived their common project, and how they distinguished their respective roles.

The Varieties of Mystical Experience of Urd? ??? Poets (13th to 20th Century A.D.) Oct 31 2019 Varieties of Mystical Experience of Urdu Sufi Poets (13th to 20th Century A. D.)

Rumi's Secret Jun 19 2021 The acclaimed New York Times bestselling author of *Smash Cut*, *Flannery*, and *City Poet* delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, *Rumi's Secret* reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.
