The Bracco Italiano: A Complete and Comprehensive Owners Guide To: Buying, Owning, Health, Grooming, Training, Obedience, Understanding and Dec 01 2019 The Bracco Italiano is a breed of versatile gun dog that was bred and developed in Italy. The breed has a tendency to 'point' in the direction of prey and has therefore been given the nicknames of the 'Italian Pointer' and the 'Italian Pointer Dog.' It is believed that the breed was first developed sometime between the 4th and 5th century - making it one of the oldest breeds in existence. The Bracco Italiano is considered to be a mix of both the Segugio Italiano (a coursing hound) and the Asiatic Mastiff. There are two variations of the Bracco Italiano: the Piedmontese Pointer and the Lombard Pointer. The first variation, the Piedmontese Pointer, originated from Piedmont and has a lighter build and coat. The second variation, the Lombard Pointer, originated from Lombardy and has a more athletic build to allow it to combat the mountainous terrain of Lombardy. Traditionally, the Bracco Italiano was originally employed as a hunting hound by the Italian aristocracy. However in modern times, the Bracco Italiano is mainly found as a domestic family dog due to its people-loving temperament. The Bracco Italiano is also known to be a particularly friendly to children and other household pets, if it has been socialized properly. Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and wellbeing of your pet. It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle, household and financial status are suited to provide your pet with the best possible care. Salone Italiano May 30 2022 As much a historical account as it is a novel, *Salone Italiano* is the fascinating tale of the lives and loves of the Sartore family, who exchanged their peaceful European existence for a life of both hope and hardship as immigrants living in the legendary mining town of Silverton, Colorado. Old world customs and traditions collide with the family's newfound American lifestyle. Racial tensions reach such a fever pitch that, when romance begins to flourish, even murder is considered to keep lovers from crossing the line into segregated territory. The saga of the Sartore family is steeped in historical detail and rich in drama. *Salone Italiano* is based almost entirely on actual letters written by members of the family at the beginning of the twentieth century to relatives in Italy. Many of the family's historic photographs also illustrate the book. Experience this little-known chapter of American history first-hand by vicariously witnessing the lives of true Colorado pioneers that are often forgotten in the annals of history. Kay Niemann was born in Durango, Colorado, but has spent much of her life overseas. This, her first novel, has been acclaimed as 'a terrific historical account with a writing style like a breath of fresh air in the world of academe.' Kay has returned to her family roots, taking pride in their accomplishments and seeking to preserve her unique family history.
