Il collaboratore della scuola monitore settimanale letterario-didattico-educativo Jul 26 2019

Child Second Language Acquisition Aug 07 2020 As one of the first books in child second language acquisition (SLA), this book focuses on the core area of tense-aspect morphology, reporting on three L1-Italian children learning L2 English vs. three L1-English children learning L2 Italian. An innovative longitudinal/bidirectional research design, where two languages represent both source and target, show effects of language transfer in learners that, because of their age, still have potential to become native-speakers of the target. An unusual feature of this book is that relevant studies of acquisition of L2 Italian, some heretofore only in Italian, are reviewed, incorporated into the study and made available to a more general audience. Though the main focus is on child SLA, crucial comparisons to both first language acquisition vs. adult SLA are presented. This approach will thus be of interest more generally to readers in first and second language acquisition and child development.

**EBOOK: Prego! An Invitation to Italian** Apr 26 2022 Prego! is easy to use! For this exciting new edition, we listened to our many adopters and made significant revisions to adapt Prego! to the changing needs of your students. Every aspect of this program is based on the strong foundation of vocabulary and grammar presentations unique to Prego along with communicative activities and expanded cultural material to help students develop language proficiency. As a result, the program is even stronger, offering a truly integrated approach to presenting culture that inspires students to develop their communication skills. All print and media supplements for the program are completely integrated in CENTRO, our comprehensive digital platform that brings together all the online and media resources of the Prego! program. These include the Quia online versions of the workbook and laboratory manual, the video program, the music playlist, and new interactive games. Instructors will also find an easy-to-use grade book, an instructor dashboard, and a class roster system that facilitates course management and helps reduce administrative workload.

**Revolt. La ribellione nel mondo contro la globalizzazione** Jun 04 2020 Nascosta dall'ascesa dei populistici, un'onda di protesta popolare sta agitando il nostro pianeta. Da dove viene questo malcontento? E, soprattutto, dove porterà? Nadav Eyal, in un saggio appassionante come un'inchiesta, esamina le forze che stanno trasformando la nostra realtà economica, politica e culturale. Introduce i lettori alla "ribellione globale", un moto di rabbia che si è imposto progressivamente dall'Italia dell'antipolitica all'Europa della Brexit, dall'America di Trump al mondo intero assediato dalla pandemia. Una rivolta che nasce dal drammatico conflitto tra i risultati raggiunti dalla globalizzazione (che ha sottratto milioni di persone alla povertà) e i suoi costi immensi (aumento della disuguaglianza economica, danni ambientali, crisi migratorie). Eyal dà voce non solo alla rivoluzione economica e culturale che sta definendo la nostra epoca, ma anche ai protagonisti della controrivoluzione che sono stati marginalizzati e sfruttati. Unendo racconto giornalistico e analisi storica, Eyal mostra quanto tutti gli estremisti, a prescindere da fedi politiche o religiose, si somiglino in modo inquietante. E quanto, sorprendentemente, abbiano in comune le storie dei minatori della Pennsylvania, degli anarchici delle periferie di Atene, dei neonazisti in Germania, delle famiglie di profughi siriani che arrivano sulle coste europee. In corso di traduzione in 15 paesi, Revolt è una replica puntuale a coloro che si arrendono al fanatismo, e, al tempo stesso, un appassionato tributo a chi quotidianamente rivendica per sé e per il nostro pianeta un futuro migliore.

**La collina degli stivali** Aug 31 2022 Odio, follia, noia, alienazione sono i sentimenti ricorrenti delle storie raccontate in questo volume. Con un unico denominatore comune: la banalità e la quotidianità del male.

*Sulle tracce di George Orwell in Birmania* May 16 2021 In Birmania gira una battuta popolare, secondo cui Orwell non scrisse soltanto un romanzo sul Paese, Giorni birmani, ma un'intera trilogia, completata da La fattoria degli animali e 1984. La connessione della Birmania (oggi chiamata Myanmar) con George Orwell non è metaforica, ma profonda e reale: sua madre era nata in Birmania al culmine del raj britannico e la nonna viveva ancora lì quando lui decise di arruolarsi. Alla scomparsa di Orwell, il romanzo in stesura trovato sulla sua scrivania era ambientato in Birmania. In un intrepido diario di viaggio dal taglio politico e biografico, Emma Larkin guida il lettore alla scoperta dei luoghi dove Orwell ha vissuto e lavorato come agente della Polizia imperiale britannica, vivendo esperienze che condizionarono profondamente la sua visione del mondo. Attraversando Mandalay e Yangon, le isolate aree meridionali del Delta dell'Irrawaddy e le montagne del nord dove gli inglesi andavano in villeggiatura per sfuggire al caldo delle pianure, l'autrice ritrae una Birmania appassionante e struggente. Prima colonizzata e in seguito governata da una giunta militare isolazionista e brutale, la nazione ha visto la propria storia e identità cancellate a più riprese da metodi di governo orwelliani, che hanno soppresso libertà d'espressione e pensiero. Ispirata dalla chiarezza morale e dal rifiuto dell'ingiustizia di Orwell, l'autrice incontra persone che hanno trovato un modo di resistere agli effetti annientatori di uno dei più crudeli Stati di polizia, restituendo loro dignità. Questo libro è una chiave per riscoprire Orwell, appassionarsi alla Birmania e trovare gli strumenti per capire il travagliato e contraddittorio processo di democratizzazione in corso.

*Underworld* Feb 10 2021 Abundantly illustrated, this essential volume examines depictions of the Underworld in southern Italian vase painting and explores the religious and cultural beliefs behind them. What happens to us when we die? What might the afterlife look like? For the ancient Greeks, the dead lived on, overseen by Hades in the Underworld. We read of famous sinners, such as Sisyphus, forever rolling his rock, and the fierce guard dog Kerberos, who was captured by Herakles. For mere mortals, ritual and religion offered possibilities for ensuring a happy existence in the beyond, and some of the richest evidence for beliefs about death comes from southern Italy, where the local Italic peoples engaged with Greek beliefs. Monumental funerary vases that accompanied the deceased were decorated with consolatory scenes from myth, and around forty preserve elaborate depictions of Hades's domain. For the first time in over four decades, these compelling vase paintings are brought together in one volume, with detailed commentaries and ample illustrations. The catalogue is accompanied by a series of essays by leading experts in the field, which provides a framework for understanding these intriguing scenes and their contexts. Topics include attitudes toward the afterlife in Greek ritual and myth, inscriptions on leaves of gold that provided guidance for the deceased; funerary practices and religious beliefs in Apulia, and the importance accorded to Orpheus and Dionysos. Drawing from a variety of textual and archaeological sources, this volume is an essential source for anyone interested in religion and belief in the ancient Mediterranean.

**Le camicie rosse alle porte di Roma** Jun 24 2019 È il 22 ottobre 1867: a Roma scoppia l'insurrezione, mentre le provincie dello Stato Pontificio sono invase, già da un mese, dalle camicie rosse. È l'ultimo tentativo, infruttuoso, prima della presa di Porta Pia, per fare di Roma la capitale del Regno d'Italia. Il piano verrà attuato grazie alla determinazione del deputato bergamasco Francesco Cucchi, che organizzerà la rivolta con l'aiuto dei gruppi liberali romani. Il vecchio leone garibaldino, Francesco Crispi, riuscirà ad

ottenere l'appoggio (clandestino) del governo Rattazzi. Ed ancora una volta, il sessantenne Garibaldi, fuggito dall'esilio di Caprera, compatterà il movimento e gli darà una guida, fino alla sconfitta di Mentana. Anche se fallì, l'insurrezione dell'autunno 1867 verrà ricordata per alcuni episodi drammatici passati alla storia: l'esplosione, in Borgo, della caserma "Serristori"; l'esecuzione capitale dei due responsabili Monti e Tognetti, l'ultima prima dell'annessione, che tanto scalpore ed indignazione provocò nell'Europa di allora; la strage del lanificio Ajani ed il sacrificio di Giuditta Tavani Arquati, come ancora oggi ricorda la targa commemorativa sul palazzo. Forse fu a causa di un'organizzazione non perfetta, per colpa di qualche tradimento e per l'illusione che il popolo romano fosse pronto per il grande salto verso l'Italia, che l'insurrezione fallì. Alcuni municipi della provincia resisterono più a lungo, come quello di Cori, che resse una settimana intera, fino alla sconfitta di Mentana. Gli avvenimenti vengono ripercorsi attraverso una meticolosa ricerca d'archivio che completa il quadro storico già noto.

*La collina del Santo e del Diavolo* Nov 02 2022 Lungo un sentiero che ha visto nel corso dei secoli alternarsi vicende di rara cattiveria ad episodi di alta spiritualità, un uomo, Alberto, va alla ricerca del significato del perdono. Il dramma in lui si farà sempre più doloroso ad ogni passo verso L'Eremo di Rupecava, che la leggenda vuole visitato anche da Sant'Agostino, fino ad arrivare alla straziante decisione finale.

Elementary Italian Grammar Apr 14 2021

**State Control in Fascist Italy** Aug 19 2021 This socio-political study traces the rise to power of a fascist dictatorship in Italy and its control of the state during World War II. It focuses specifically on the institutions of the fascist state, the suppression of anti-fascism, and the use of propaganda in maintaining the state.

Da capo Jul 30 2022 This Seventh Edition of the best-selling intermediate Italian text, DA CAPO, reviews and expands upon all aspects of Italian grammar while providing authentic learning experiences (including new song and video activities) that provide students with engaging ways to connect with Italians and Italian culture. Following the guidelines established by the National Standards for Foreign Language Learning, DA

CAPO develops Italian language proficiency through varied features that accommodate a variety of teaching styles and goals. The Seventh Edition emphasizes a well-rounded approach to intermediate Italian, focusing on balanced acquisition of the four language skills within an updated cultural framework. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Food and Foodways in Italy from 1861 to the Present** Nov 21 2021 Despite being a universal experience, eating occurs with remarkable variety across time and place: not only do we not eat the same things, but the related technologies, rituals, and even the timing are in constant flux. This lively and innovative history paints a fresco of the Italian nation by looking at its storied relationship to food.

**Optimal Birth: What, why & how** May 04 2020 A book to help midwives and other health care professionals think through the practicalities of optimising pregnancies and births. After explaining precisely how 'optimal' is defined, nine reasons are presented to justify why this kind of birth is best. Finally, key practical issues are considered and reflective questions provided, so as to give caregivers a clear basis for clinical practice, wherever their place of work. This easy-read, accessible book, which is fully referenced, is equally useful for students of midwifery (or obstetrics, or medicine generally), practising midwives, doulas, and maternity care assistants. This third edition includes changes based on feedback and some additional material.

*Italian Books and Periodicals* Apr 02 2020

Salve! Dec 11 2020 SALVE!, Second Edition is a complete introductory Italian program that introduces students to Italian life and culture while furthering their skills to understand and express common words and phrases in Italian. Students are exposed to the vibrant life of modern day Italy and its rich cultural heritage through the Sulla Strada video clips which give your students a taste of everyday life in Italy while providing a wealth of activities in both the text and online. The integration of video, suggestions for music, internet and GoogleEarth searches, and a distinctive focus on Italy's varied regions, make this text essential for anyone interested in learning Italian. Students are invited to talk about their education, family, friends, tastes, leisure activities, their past and their plans for the future, and encourages them to make cross-cultural comparisons and connections from their own life with those of their Italian counterparts. Students will also discover the different Italian regions and their distinctive characteristics. SALVE! is a complete, streamlined program that is highly-effective for courses with a two-semester or reduced hour sequence. The text uses a manageable building block method introducing the structures of the language through an easy-to-understand dialogue and narrative, and by recycling essential vocabulary throughout each chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Ravenna and the Traditions of Late Antique and Early Byzantine Craftsmanship** Oct 01 2022 In the last twenty years scholarship on late antique and early medieval Ravenna has resulted in a certain number of publications mainly focused on the fields of architecture, mosaics and archaeology. On the contrary, much less attention has been paid on labour – both manual and intellectual – as well as the structure of production and objects derived from manufacturing activities, despite the fact that Ravenna is the place which preserves the highest number of historical evidence among all centres of the late Roman Mediterranean. Its cultural heritage is vast and composite, ranging from papyri to inscriptions, from ivories to marbles, as well as luxury objects, pottery, and coins. Starting from concrete typologies of hand-manufactured goods existing in the Ravennate milieu, the book aims at exploring the multifaceted traditions of late antique and early Byzantine handicraft from the fourth to the eighth century AD. Its perspective is to pay attention more on patronage, social taste, acculturation, workers and the economic industry of production which supported the demand, circulation and distribution of artefacts, than on the artistic evaluation of the objects themselves.

**Cercando Alaska** Jul 06 2020 Miles Halter è affascinato dalle ultime parole di personaggi famosi ed è stanco della sua vita a casa. Parte quindi in collegio per cercare il suo "Grande Forse", come ebbe a dire il

poeta François Rabelais in punto di morte. Alla scuola di Culver Creek lo aspetta, tra gli altri, Alaska Young. Intelligente, spiritosa, svitata e molto sexy, trascinerà Miles nel labirinto della sua complicata esistenza, catapultandolo nel mondo dei Grande Forse. Un esordio che in pochissimi anni è diventato un classico della narrativa per ragazzi (e non solo), arricchito di contenuti speciali in occasione del decimo anniversario della sua pubblicazione.

Experimental and Independent Italian Cinema Oct 09 2020 Discussing a variety of independent and experimental Italian films, this book gives voice to a critically neglected form of Italian cinema. By examining the work of directors such as Marinella Pirelli, Mirko Locatelli and Cesrae Zavattini, the book defines, inspects and studies the cinematic panorama of Italy through a new lens. It thereby explores the character of independent films and their related practices within the Italian historical, cultural and cinematic landscape.

*Nuova antologia di lettere, scienze ed arti* Sep 27 2019

*Ciao!* May 28 2022 CIAO! continues to set the standard for interactive, flexible introductory Italian instruction with its state-of-the-art online technology package. Not only is this course entirely portable to accommodate the demands of a busy life, it features exciting new capabilities that allow students to share links, photos, and videos and to comment on those posted by their fellow classmates. The eighth edition is distinguished by several new resources and updates that promote the acquisition of Italian language and culture in accordance with the National Standards for Foreign Language Education. Communicative goals are established at the start of each chapter to provide students with clearly defined objectives as they work through the content, while skill-building strategies and interactive activities help them achieve those goals. The all-new Regioni d'Italia section establishes a thematic thread that is maintained throughout the chapter and provides plenty of opportunities to make cross-cultural comparisons even within the regions of Italy itself. CIAO!'S fully-updated authentic readings, cultural snapshots, videos, and activities engage students in deeper exploration of the vibrant life of modern-day Italy and the country's rich cultural heritage. Each chapter ends with a thorough Ripasso to ensure student success. Now more than ever, CIAO! provides an all-in-one grammar and vocabulary program that allows students to communicate in Italian with confidence and gives them a unique cultural perspective on an ever-changing Italy. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*Lo studente giornalista. Guida per fare giornalismo a scuola* Jul 18 2021

**'Onde Di Questo Mare'** Jan 12 2021 In the half-century following Pavese's death, much that was written about him sought principally to understand and define his complex character, and to determine his place within the twentieth-century Italian literary canon. Latterly, there appears to have been a significant shift in focus towards a closer reading of individual works or aspects or periods of his writing, the better to analyse and reveal the subtleties and depth of his vision. This present collection of ten essays conforms broadly with this tendency. It is organised chronologically with regard to Pavese's life and works so as to convey a sense of the development of a writer, over and above the particular concerns of any given essay. The book features contributions from many leading experts on Pavese.

**Italian Women and the City** Nov 09 2020 Studies of the city, and of women's experiences of the city, have focused primarily on modern times, especially as modernism was defined in large part by urban life. Italy, however, has a long history of urban-centered culture, and women have been a vocal part of that culture since the Renaissance. This volume, therefore, looks at the art and literature of both earlier and more modern periods to investigate the meanings of the city for Italian women, the intensely gendered meanings (for both sexes) of those city spaces that excluded women, and the conditions that permitted a limited permeability of gendered boundaries. Two aspects to the combination of "women" and "city" are salient to these investigations. One involves their metaphorical relationship. Urbs, citta, ville -- the words for city tend to be grammatically feminine, and a long tradition of representation associates the city with a woman. Women, especially writers, could exploit, modify, or resist the prevailing uses of such metaphors. The second aspect of connection involves social realities. What was or is the relation of the (female) city with the real women who inhabit it? What kind of site has it provided for women seeking a satisfying life for themselves? How has art and literature, by men and by women, represented the relationship of female persons or characters to urban spaces?
