Mandala Coloring Book for Kids Jun 06 2020 Mandala Coloring Book for Kids is an excellent way for kids to creatively express themselves as well as means to focus, meditate, and beat stress. In addition, to the calming and therapeutic effects of coloring mandalas, we have also included positive affirmations to help build self-confidence and self-esteem. As the child continues to color, the child can also learn to focus on positive affirmations to help develop a strong inner-self. Mindfulness Coloring Mindfulness coloring is means to be present through art. The intricate and repetitive patterns in mandalas help kids to focus on coloring, so much to the point where they lose track of time, since they're having so much fun! Better Than an Affirmation Journal Typical affirmation journals are lined journals and lack the ability to connect with the creative side of the brain. In this mindful mandala coloring book, we took the concept to the next level by also including positive affirmations to help reinforce self- confidence and self-dialogue as the child is in a focused state of mind while they are coloring. This book contains the following Powerful Affirmations I AM STRONG I AM CONFIDENT I AM BEAUTIFUL I AM SMART I AM HAPPY I AM COMPASSIONATE I AM LOVED And much more! In Buddhism, the mandala represents the nature of the "pure land, enlightened mind" - used in support of the meditating person. The "circle of life" has been depicted in mandala-like forms by cultures throughout history, from Aztec sun stones to Christian altars. The circle is also associated with eternity, balance and perfection - the last one mainly because the distance from the circle's center to any point in its outline is the same. New age mandalas represent an organizational structure of life itself. A spiritual journey that is never ending and forever connected.
