Getting the books Rapid Automatized Naming Ran And Reading Fluency now is not type of challenging means. You could not unaccompanied going afterward ebook amassing or library or borrowing from your links to get into them. This is an extremely easy means to specifically acquire lead by on-line. This online message Rapid Automatized Naming Ran And Reading Fluency can be one of the options to accompany you as soon as having additional time.

It will not waste your time. bow to me, the e-book will no question circulate you supplementary concern to read. Just invest tiny period to entrance this on-line publication Rapid Automatized Naming Ran And Reading Fluency as skillfully as review them wherever you are now.

Bowler's Name? Oct 01 2022 Bowler's Name is a tale of a life in cricket's margins. Tom Hicks is no household name, but he often rubbed shoulders with cricketing royalty, going from the village green to walking out as captain at Lord's. As an ambitious youngster, Hicks dreamed of reaching the top. But trying to make it big and balance the demands of university, family, a full-time job and a penchant for post-match fun was no easy feat. Settling for an unglamorous life as a minor county player, cricket took him to all corners of the country, and then across the globe, getting an insight into the nether regions of a cricketing world that was rapidly vanishing. Through the eyes of a cricket nut, Bowler's Name takes us on a journey of success, failure, hilarity and often sheer madness. If you've ever wondered what it's like to face 90mph bowling, to have lunch with Mike Gatting or to infiltrate an England post-match party, Hicks is your man. Bowler's Name is for fans of cricket idiosyncrasies, lovers of the underdog and anyone who has tried and failed.

Specific Reading Disability Dec 23 2021

The First Book of Moses, Called Genesis Apr 02 2020 Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

The Relationships Among Cognitive Correlates and Word Reading Apr 26 2022 This book explored the cognitive correlates that best predicted irregular word, non-word, and word reading, and reading performance of typical and poor readers. The findings indicated that processing speed had the strongest correlation with irregular word reading, whereas rapid automatized naming (RAN) had the strongest correlations with word reading and non-word reading. As with previous research RAN letters was the best predictor of reading skills. The best model for predicting reading was based on a combined measure of phonological awareness (PA) and RAN letters. An interesting finding was that the correlation between irregular and non-word reading was significant for students with typical reading, but insignificant for the poor readers. These findings provide support for both the dual-route and double-deficit theory of dyslexia that ascribes independent contributions of PA and RAN to the development of reading skills. This book presents information that will help school psychologists, neuropsychologists, educational diagnostician, special education teachers, as well as general education teachers, to recognize, assess, and provide effective treatment programs for dyslexia.

My Brilliant Life Nov 09 2020 A BEST OF THE MONTH SELECTION BY OPRAH MAGAZINE AN NPR BEST BOOK OF 2021 "An eminent South Korean talent makes her American d ebut in this poignant watercolor of a novel . . . Kim is a writer on the move." —O, The Oprah Magazine Ae-ran Kim's My Brilliant Life explores family bonds and out-of-the-ordinary friendships, interweaving the past and present of a tight-knit family, finding joy and happiness in even the most difficult times. Areum lives life to its fullest, vicariously through the stories of his parents, conversations with Little Grandpa Jang—his sixty-year-old neighbor and best friend—and through the books he reads to visit the places he would otherwise never see. For several months, Areum has been working on a manuscript, piecing together his parents' often embellished stories about his family and childhood. He hopes to present it on his birthday, as a final gift to his mom and dad; their own falling-in-love story. Through it all, Areum

and his family will have you laughing and crying, for all the right reasons. “ This novel snuck up on me and captured my heart. ” —Margarita Montimore, USA Today bestselling author of *Oona Out of Order* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Oryx and Crake Jul 06 2020 A stunning and provocative new novel by the internationally celebrated author of *The Blind Assassin*, winner of the Booker Prize. Margaret Atwood ' s new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of *Oryx and Crake*, nothing will ever look the same again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake, and slowly starving to death. He searches for supplies in a wasteland where insects proliferate and pigoons and wolvogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries to piece together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly? Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where the Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after the last chapter.

Atlas Shrugged Jan 24 2022 Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand ' s magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America ' s best-loved novels by PBS ' s *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand ' s most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century ' s leading artists.

Woodcock reading mastery tests Nov 21 2021

If I Ran the Zoo Aug 31 2022 Gerald tells of the very unusual animals he would add to the zoo, if he were in charge.

Dyslexia in Different Languages Aug 26 2019 This book presents current research on dyslexia in alnguages other than English. It is increasingly evident that it is essential to define dyslexia in terms of the language of instruction because learning to read cannot be separated from the linguistic parameters of that language. Differences in the orthographic, phonological, morphemic and inflectional structure of a language influence the degree of difficulty encountered by children when learning to read. Consequently, authors describe the linguistic properties of their languages and discuss the problems encountered by dyslexics in that language and the dyslexics' underlying cognitive deficits. The objective of this book is to explore a variety of languages and to identify both the language specific characteristics of reading and spelling problems in each language and the core deficits that are common to all dyslexics regardless of the language of instruction.

Rewards Nov 29 2019

Foundations of Reading Acquisition and Dyslexia Sep 07 2020 The chapters in this volume are based on presentations made at a recent conference on cognitive and linguistic foundations of reading acquisition. The researchers who participated have all made contributions to the theoretical and empirical understanding of how children learn to read. They were asked to address not only what they have learned from their research, but also to discuss unsolved problems. This dialogue prompted numerous questions of both a theoretical and applied nature, generated heated debate, and fueled optimism about the important gains that have been made in the scientific understanding of the reading process, especially of the critical role played by phonological abilities.

If Harry Potter Ran General Electric Oct 09 2020 However important the magic of wands, brooms, cauldrons, potions, and spells might be to the vivid story telling of [the Harry Potter] books, it is merely incidental to their philosophy of life.... I can ' t count the number of times I ' ve heard someone in a business context say something like “ I wish I could just magically solve all these problems ” or “ I ' ll try my best to deal with this, but remember, I ' m no magician. ” What is particularly interesting is that the most difficult problems that the people in Harry ' s world face are rarely solved with just magic, but rather by the use of intelligence, reasoning, planning, courage, determination, persistence, resourcefulness, creativity, fidelity, friendship, and many other qualities traditionally known by the philosophers in our world as virtues.... The meaning of life is not to be found in elixirs or incantations, secret words or exotic objects with esoteric powers, but in real moral virtue and the magic of what it can help us do.... ” J. K. Rowling ' s novels about Harry Potter and the Hogwarts School of Witchcraft and Wizardry

have captured the imaginations of people everywhere. In *IF HARRY POTTER RAN GENERAL ELECTRIC*, bestselling business author Tom Morris (*IF ARISTOTLE RAN GENERAL MOTORS*) uncovers the values and timeless truths that underlie Rowling's hugely popular books and illuminate the lessons they offer to all of us in our careers and daily lives. But, you say, Harry Potter lives in a world of magic? What can we possibly learn to apply to our own careers and everyday lives? Morris shows that the most difficult problems Harry and his friends face are rarely solved by the use of magic alone. Rather, they are conquered by intelligence, reasoning, determination, creativity, friendship, and a host of other classic virtues—the very qualities, in fact, that make for success in every aspect of our lives. Blending an array of provocative examples from the novels with thought-provoking commentary on contemporary management practices, *IF HARRY POTTER RAN GENERAL ELECTRIC* offers readers a master's course on leadership and ethics, told in an engaging and insightful way.

The Girl with Seven Names: A North Korean Defector's Story Sep 27 2019 NEW YORK TIMES BESTSELLER An extraordinary insight into life under one of the world's most ruthless and secretive dictatorships – and the story of one woman's terrifying struggle to avoid capture/repatriation and guide her family to freedom.

Alice in Wonderland Oct 28 2019

Beloved Mar 14 2021 PULITZER PRIZE WINNER • NEW YORK TIMES BESTSELLER • An unflinchingly look into the abyss of slavery, from the acclaimed Nobel Prize winner. This spellbinding novel transforms history into a story as powerful as *Exodus* and as intimate as a lullaby. With a new afterword. Sethe, its protagonist, was born a slave and escaped to Ohio, but eighteen years later she is still not free. She has too many memories of Sweet Home, the beautiful farm where so many hideous things happened. And Sethe's new home is haunted by the ghost of her baby, who died nameless and whose tombstone is engraved with a single word: *Beloved*. Filled with bitter poetry and suspense as taut as a rope, *Beloved* is a towering achievement.

The Book Thief Sep 19 2021 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Essentials of Dyslexia Assessment and Intervention Aug 07 2020 Quickly acquire the knowledge and skills you need to effectively understand, assess, and treat individuals struggling with dyslexia *Essentials of Dyslexia Assessment and Intervention* provides practical, step-by-step information on accurately identifying, assessing, and using evidence-based interventions with individuals with dyslexia. Addressing the components that need to be considered in the assessment of dyslexia—both cognitive and academic—this book includes descriptions of the various tests used in a comprehensive dyslexia assessment along with detailed, evidence-based interventions that professionals and parents can use to help individuals struggling with dyslexia. Like all the volumes in the *Essentials of Psychological Assessment* series, each concise chapter features numerous callout boxes highlighting key concepts, bulleted points, and extensive illustrative material, as well as test questions that help you gauge and reinforce your grasp of the information covered. Providing an in-depth look at dyslexia, this straightforward book presents information that will prepare school psychologists, neuropsychologists, educational diagnosticians, special education teachers, as well as general education teachers, to recognize, assess, and provide effective treatment programs for dyslexia. The book is also a good resource for parents who are helping a child with dyslexia. A practical guide to understanding, assessing, and helping individuals who have dyslexia Expert advice and tips throughout Conveniently formatted for rapid reference Other titles in the *Essentials of Psychological Assessment* series: *Essentials of Assessment Report Writing* *Essentials of School Neuropsychological Assessment* *Essentials of Evidence-Based Academic Interventions* *Essentials of Response to Intervention* *Essentials of Processing Assessment* *Essentials of Conners Behavior Assessments* *Essentials of Cross-Battery Assessment, Second Edition* *Essentials of WISC-IV Assessment, Second Edition*

Blood Done Sign My Name Feb 22 2022 The “riveting” * true story of the fiery summer of 1970, which would forever transform the town of Oxford, North Carolina—a classic portrait of the fight for civil rights in the tradition of *To Kill a Mockingbird* *Chicago Tribune On May 11, 1970, Henry Marrow, a twenty-three-year-old black veteran, walked into a crossroads store owned by Robert Teel and came out running. Teel and two of his sons chased and beat Marrow, then killed him in public as he pleaded for his life. Like many small Southern towns, Oxford had barely been touched by the civil rights movement. But in the wake of the killing, young African Americans took to the streets. While lawyers battled in the courthouse, the Klan raged in the shadows and black Vietnam veterans torched the town's tobacco warehouses. Tyson's father, the pastor of Oxford's all-white Methodist church, urged the town to come to terms with its bloody racial history. In the end, however, the Tyson family was forced to move away. Tim Tyson's gripping narrative brings gritty blues truth and soaring gospel

vision to a shocking episode of our history. FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD “ If you want to read only one book to understand the uniquely American struggle for racial equality and the swirls of emotion around it, this is it. ” —Milwaukee Journal Sentinel “ Blood Done Sign My Name is a most important book and one of the most powerful meditations on race in America that I have ever read. ” —Cleveland Plain Dealer “ Pulses with vital paradox . . . It ’ s a detached dissertation, a damning dark-night-of-the-white-soul, and a ripping yarn, all united by Tyson ’ s powerful voice, a brainy, booming Bubba profundo. ” —Entertainment Weekly “ Engaging and frequently stunning. ” —San Diego Union-Tribune

Jim, who Ran Away from His Nurse, and was Eaten by a Lion Jan 30 2020 A hardcover release of a darkly comic, cautionary 1907 classic adds whimsical illustrations, interactive lift-flaps and a roaring lion pop-up to the story of a youngster whose forays from home culminate in a "miserable end."

The Kid Who Ran for President Apr 14 2021 Just in time for election season, Dan Gutman's hugely popular THE KID WHO RAN FOR PRESIDENT is back. Humor, adventure, and excitement will draw kids into the world of elections and politics."Hi! My name is Judson Moon. I'm 12 years old and I'm running for President of the YOU-nited States."So begins this fast-paced, funny, and surprising account of a boy's run for the Oval Office in the year 2000. Under the tutelage of Lane, his brainy friend and self-appointed campaign manager, the affable sixth-grader from Madison, Wisconsin, takes on the Democrats and Republicans as a Third Party candidate who can make waves. "Grown-ups have had the last one thousand years to mess up the world," Judd tells a reporter. "Now it's our turn."

No, David! Oct 21 2021 The Caldecott Honor-winning classic by bestselling picture-book creator David Shannon!When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . .Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children--even when they misbehave.

The Recognition of Words Dec 31 2019

The Invention of Hugo Cabret Jun 04 2020 ORPHAN, CLOCK KEEPER, AND THIEF, twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlocks with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.

Essentials of Assessing, Preventing, and Overcoming Reading Difficulties Jul 30 2022 Practical, effective, evidence-based reading interventions thatchange students' lives Essentials of Understanding and Assessing ReadingDifficulties is a practical, accessible, in-depth guide toreading assessment and intervention. It provides a detaileddiscussion of the nature and causes of reading difficulties, whichwill help develop the knowledge and confidence needed to accuratelyassess why a student is struggling. Readers will learn aframework for organizing testing results from current assessmentbatteries such as the WJ-IV, KTEA-3, and CTOPP-2. Case studiesillustrate each of the concepts covered. A thorough discussion isprovided on the assessment of phonics skills, phonologicalawareness, word recognition, reading fluency, and readingcomprehension. Formatted for easy reading as well as quickreference, the text includes bullet points, icons, callout boxes,and other design elements to call attention to importantinformation. Although a substantial amount of research has shown that mostreading difficulties can be prevented or corrected, standardreading remediation efforts have proven largely ineffective. Schoolpsychologists are routinely called upon to evaluate students withreading difficulties and to make recommendations to address suchdifficulties. This book provides an overview of the best assessmentand intervention techniques, backed by the most current researchfindings. Bridge the gap between research and practice Accurately assess the reason(s) why a student strugglesin reading Improve reading skills using the most highly effectiveevidence-based techniques Reading may well be the most important thing students are taughtduring their school careers. It is a skill they will use every dayof their lives; one that will dictate, in part, later life success.Struggling students need help now, and Essentials ofUnderstanding and Assessing Reading Difficulties shows how toget these students on track.

Marathon Woman Dec 11 2020 In 1967, Kathrine Switzer was the first woman to officially run what was then the all male Boston Marathon, infuriating one of the event's directors who attempted to violently eject her. In what would become an iconic sports image, Switzer escaped and finished the race. This was a watershed moment for the sport, as well as a significant event in women's history. Including updates from the 2008 Summer Olympics, the paperback edition of Marathon Woman details the life of an incredible, pioneering athlete, and the lasting effect she's had on women's sports. Switzer's energy and drive permeate the pages of this warm, witty memoir as she describes everything from the childhood events that inspired her to succeed to her big win in the 1974 New York City Marathon, and beyond.

My Side of the Mountain Jan 12 2021 "Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review Sam Gibley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball

of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

Into the Wild Nov 02 2022 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

The Story of Little Black Sambo May 16 2021 A little boy in India loses his fine new clothes to the tigers, but while they dispute who is the grandest tiger in the jungle he takes his fine clothes back again.

Crush Mar 02 2020 This collection about obsession and love is the 99th volume of the Yale Series of Younger Poets Richard Siken's *Crush*, selected as the 2004 winner of the Yale Younger Poets prize, is a powerful collection of poems driven by obsession and love. Siken writes with ferocity, and his reader hurtles unstoppably with him. His poetry is confessional, gay, savage, and charged with violent eroticism. In the world of American poetry, Siken's voice is striking.

Twelve Years a Slave Jun 28 2022 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

If Disney Ran Your Hospital Jun 24 2019 Using examples from his work with Disney and as a senior-level hospital executive, author Fred Lee challenges the assumptions that have defined customer service in healthcare. In this unique book, he focuses on the similarities between Disney and hospitals--both provide an "experience," not just a service. It shows how hospitals can emulate the strategies that earn Disney the trust and loyalty of their guests and employees. The book explains why standard service excellence initiatives in healthcare have not led to high patient satisfaction and loyalty, and it provides 9 1 / 2 principles that will help hospitals gain the competitive advantage that comes from being seen as "the best" by their own employees, consumers, and community.

Wuthering Heights May 28 2022 Emily Bronte was an English novelist & poet, who is best known for her only novel, "Wuthering Heights: She has written poems also such as - ' Poems by Currer, Ellis and Action Bell ', ' A Death Scene ', ' To a Wreath of Snow, and lots Many. ' Wuthering Heights ' is a highly imaginative work of passion and hate. Author was interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the main character, Heathcliff. Wuthering Heights is his farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at Wuthering Heights, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of Wuthering Heights and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show due to her social statue. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to getup without reading the novel - fully.

The Strange Case of Dr. Jekyll and Mr. Hyde Aug 19 2021

Call Me by Your Name Jul 18 2021 Now a Major Motion Picture from Director Luca Guadagnino, Starring Armie Hammer and Timothée Chalamet, and Written by Three-Time Oscar™ Nominee James Ivory The Basis of the Oscar-Winning Best Adapted Screenplay A New York Times Bestseller A USA Today Bestseller A Los Angeles

Times Bestseller A Vulture Book Club Pick An Instant Classic and One of the Great Love Stories of Our Time
Andre Aciman's *Call Me by Your Name* is the story of a sudden and powerful romance that blossoms between an adolescent boy and a summer guest at his parents' cliffside mansion on the Italian Riviera. Each is unprepared for the consequences of their attraction, when, during the restless summer weeks, unrelenting currents of obsession, fascination, and desire intensify their passion and test the charged ground between them. Recklessly, the two verge toward the one thing both fear they may never truly find again: total intimacy. It is an instant classic and one of the great love stories of our time. Winner of the Lambda Literary Award for Fiction A New York Times Notable Book of the Year • A Publishers Weekly and The Washington Post Best Book of the Year • A New York Magazine "Future Canon" Selection • A Chicago Tribune and Seattle Times (Michael Upchurch's) Favorite Favorite Book of the Year

Fluency in Reading May 04 2020 This is the first book to examine in-depth the crucial role of the speed of information processing in the brain in determining reading fluency in both normal and dyslexic readers. Part I explains fluency in reading from both traditional and modern perspectives. Fluency has historically been viewed as the outcome of other reading-related factors and has often been seen as a convenient measure of reading skills. This book, however, argues that fluency has a strong impact on other aspects of reading and plays a central role in the entire reading process. Part II deals with the determinants of reading fluency. Chief among these is the speed of information processing in the brain. Using both behavioral and electrophysiological evidence, the book systematically examines the features of processing speed in the various brain systems involved in reading: visual-orthographic, auditory-phonological, and semantic and shows how speed of processing affects fluency in reading. Part III deals with the complex issues of cross-modal integration and specifically with the need for effective synchronization of the brain processes involved in reading. It puts forward the Synchronization Hypothesis and discusses the role of the Asynchrony Phenomenon as a major factor in dyslexia. Finally, it summarizes research on manipulating reading rate by means of the Acceleration method, providing evidence for a possible intervention aimed at reducing Asynchrony. Key features of this outstanding new book include: *Expanded View of Fluency. Reading fluency is seen as both a dependent and an independent Variable. Currently available books focus on reading rate solely as the outcome of other factors whereas this volume stresses that it is both an outcome and a cause. *Information Processing Focus. Fluency itself is determined to a large extent by a more general factor, namely, speed of processing in the brain. The book presents wide-ranging evidence for individual differences in speed of processing across many subpopulations. *Brain Synchronization Focus. The book posits a new theory arguing that effective reading requires synchronization of the different brain systems: visual orthographic, auditory-phonological, and semantic. *Research-Based Interventions. Interventions to enhance fluency and, thereby, reading skills in general are presented in detail. *Author Expertise. Zvia Breznitz is Head of the Department of Learning Disabilities and Director of the Laboratory for Neurocognitive Research at Haifa University in Israel, where she has been researching this topic for over a decade. This book is appropriate for researchers and advanced students in reading, dyslexia, learning disabilities, cognitive psychology, and neuropsychology.

A River Ran Wild Feb 10 2021 An environmental history of the Nashua River, from its discovery by Indians through the polluting years of the Industrial Revolution to the ambitious clean-up that revitalized it.

The Other Wes Moore Mar 26 2022 NEW YORK TIMES BESTSELLER • The "compassionate" (People), "startling" (Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his "Underrated" Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

Naya Nuki Jul 26 2019 Naya Nuki, an 11-year-old Indian girl forced into slavery by a rival tribe, is determined to escape and return to her own people. Native American Stories.
