*The Untamed Vampire* Feb 11 2021 WILD AT HEART Chelle is not your typical vampire. Turned not with a bite but an age-old magic, she's the only one of her kind—and more powerful than most. Still adjusting to her endless thirst and lethal fangs, she's desperate to discover what sets her apart. When she encounters a brutally virile alpha werewolf, she soon learns that she's not immune to the mating call—and her own primal longing... The leader of the ancient Forkbeard pack, Gunnar is stunned by Chelle's lush beauty. The wild wolf inside him howls for her, but unions between vampire and werewolf are strictly taboo—even if their clans

weren't on the verge of war. Desire has never been so dangerous...but, as a malevolent new power rises, Chelle and Gunnar face an even more frightening threat. Together, they might find a way to save their clans. But can they claim their passion, in *The Untamed Vampire* by Kate Baxter.

**Viper's Defiant Mate** Oct 02 2022 USA Today Bestseller! A hilarious action/adventure thriller that can be read as a standalone! Tina St. Claire was finally happy with her life until her older sister, Riley, suddenly disappeared. Tina suspects Riley's boss had something to do with it, and sets out to get proof. Soon though, she inadvertently leads the danger back to her home, and the unexpected arrival of an eerie stranger is more frightening than helpful, though he does eventually give her and Grandma Pearl a packet he claims is from Riley. Prince Viper d'Rojah is not happy when he is sent on a special mission by his older brother Vox, King of the Sarafin cat-shifters. He has handled tougher assignments in his sleep and just wants to get back to finding the traitors trying to kill him and his family! Soon though, events spiral out of control and it's all Viper can do to keep Tina and her gun-toting grandmother alive. The question is, how is he going to survive when the women discover his plans to kidnap them? Internationally acclaimed S.E. Smith presents a new action-packed story full of romance and mischief. Brimming with her signature humor, vivid landscapes, and beloved characters, this book is sure to be another fan favorite! Main Content: 188 (6x9) pages, 62,704 words

**Her Alpha Mates** Mar 15 2021 A Wolf A Princess A Dragon The curse that threatens to destroy them all. With his wife in grave danger from an ancient curse upon his family, alpha wolf Deo Ambrosia must take drastic measures, and as a last resort he calls upon the powerful dragon shifter Draco to help protect his headstrong mate. Cassandra obeys the demands of the wolf. Submits to the call of the dragon. Gives her heart and soul to both. After exchanging the most sacred of vows, they are no longer one, but three. Will their love be enough to break the curse? Though following the orders of two stern, dominant alpha shifters proves no easy task for Cassandra and she frequently finds herself facing stern and shameful discipline from her mates, she is shocked by the intensity of the pleasure when the two fearsome beasts both claim her at once. But will her penchant for reckless disobedience put the entire pack in even greater peril? Publisher's Note: *Her Alpha Mates* is the second book in the Shifters' Call series. It includes spankings and sexual scenes. If such material offends you, please don't buy this book.

**The Defiant One** Jul 27 2019 "The bluest of blood, the boldest of hearts; the de Montforte brothers will take your breath away." Blessed - or perhaps cursed - with a fiery temper, a strong will, and a blatant disregard for his brother's wishes, Lord Andrew de Montforte's only desire is to be left alone. But after being caught in a compromising position with tempting Lady Celsiana Blake, the

brilliant and brooding scientist/inventor is forced into marriage in this fast-paced, jocular tale in which a supporting cast of beloved pets, the warm and eccentric de Montforte brothers, and the Machiavellian influence of the mighty duke of Blackheath once again play a role...

**Defiant** Jul 31 2022 Charged with a crime they didn't commit, the MacKinnon brothers faced a death sentence until they agreed to serve the British Crown in the colonies and take up arms against the French. Allied with the Indian tribes who lived beside them in the wilderness, the Scottish Highland warriors forged a new breed of soldier... MacKinnon's Rangers Major Connor MacKinnon despises his commander, Lord William Wentworth, beyond all other men. Ordered to rescue Wentworth's niece after the Shawnee take her captive, he expects Lady Sarah Woodville to be every bit as contemptible as her uncle. Instead, he finds a brave and beautiful lass in desperate peril. But the only way to free Sarah is for Connor to defeat the Shawnee warrior who kidnapped her—and claim her himself. Torn by tragedy from her sheltered life in London, Lady Sarah is unprepared for the harshness of the frontier—or for the attraction she feels toward Connor. When they reach civilization, however, it is she who must protect him. For if her uncle knew all that Connor had done to save her, he would surely kill him. But the flames of passion, once kindled, are difficult to deny. As desire transforms into love, Connor will have to defy an empire to keep Sarah at his side.

Scattered Oct 10 2020 In this breakthrough guide to understanding, treating, and healing Attention Deficit Disorder, Dr. Gabor Maté, an adult with ADD and the father of three ADD children, shared the latest information on: · The external factors that trigger ADD · How to create an environment that promotes health and healing · Ritalin and other drugs · ADD adults ...and much more Attention Deficit Disorder (ADD) has quickly become a controversial topic in recent years. Whereas other books on the subject describe the condition as inherited, Dr. Maté believes that our social and emotional environments play a key role in both the cause of and cure for this condition. In *Scattered*, he describes the painful realities of ADD and its effect on children as well as on career and social paths in adults. While acknowledging that genetics may indeed play a part in predisposing a person toward ADD, Dr. Maté moves beyond that to focus on the things we can control: changes in environment, family dynamics, and parenting choices. He draws heavily on his own experience with the disorder, as both an ADD sufferer and the parent of three diagnosed children. Providing a thorough overview of ADD and its treatments, *Scattered* is essential and life-changing reading for the millions of ADD sufferers in North America today.

**Queen Defiant** Dec 12 2020 A riveting novel of Eleanor of Aquitaine's early adult years from the author of *The Virgin Widow*. Orphaned at a young age, Eleanor, Duchess of Aquitaine, seeks a strong husband to keep her hold on the vast lands that have made her the most powerful heiress in Europe. But her arranged marriage to Louis VII, King of France, is made disastrous by Louis's weakness of will and fanatical devotion to the Church. Eleanor defies her husband by risking her life on an adventurous Crusade, and even challenges the Pope himself. And in young, brilliant, mercurial Henry d'Anjou, she finds her soul mate—the one man who is audacious enough to claim her for his own and make her Queen of England.

**Tap Code** Nov 30 2019 Never-before-told details of underground operations during the Vietnam War told through one airman's inspiring story of true love, honor, and courage. Air Force pilot Captain Carlyle "Smitty" Harris was shot down over Vietnam on April 4, 1965, and taken to the infamous Hoa Lo prison--nicknamed the "Hanoi Hilton." For the next eight years, Smitty and hundreds of other American POWs--including John McCain and George "Bud" Day--suffered torture, solitary confinement, and abuse. It was there Smitty covertly taught the Tap Code--an old, long-unused World War II method of communication--to many POWs. In turn, they taught others, and it quickly became a way for POWs to communicate without their captors' knowledge. It was a lifeline during their internment--a way to boost morale, stay unified, and communicate the chain of command--as well as an asset in helping them prevail over a brutal enemy. Back home, meanwhile, Harris's wife, Louise, raised their three children alone, unsure of her husband's fate. One of the first POW wives of the Vietnam War, she became a role model for many wives, advocating for herself and her children in her husband's absence. Told through both Smitty's and Louise's voices, Tap Code shares a riveting true story of ingenuity under pressure, strength and dignity in the face of the enemy, the love of family, and the hope, faith, and resolve necessary to endure even the darkest circumstances.

**The Heart of the Cat** Jul 07 2020 Prince Walkyr d'Rojah's mission is to find an ancient artifact known as the Heart of the Cat--a powerful gem that holds the mythical power that connects his people. His only clues are an ancient scroll and the legends passed down through generations. However, he isn't the only one searching for the Heart of the Cat. A secret sect determined to overthrow the royal families of the Sarafin, the Curizan, and the Valdier wants the power contained in the gem for themselves. They are more than willing to do whatever it takes to obtain it. Trescina Bukov's affinity with large cats has taken her all over the world. A frantic call from a local rescue group compels her to fly to Wyoming in the western part of the United States. A new species of leopard was discovered near death. Walkyr is shocked when the human female connects with his leopard--and recognizes what he is. Now, he must deal with the assassins who have followed him, calm his leopard that wants to claim a crazy human, and try to find out why all the clues in his search for the Heart of the Cat are pointing to a planet far from home. When two worlds collide, there are bound to be sparks. Can Walkyr maintain control of his cat long enough to take care of business first, or will he be forced to let it loose to save the woman who is hiding a life-threatening secret?

**Ella and the Beast** Nov 10 2020 New York Times and USA TODAY Bestselling author of Science Fiction, Urban Fantasy, and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world. Ella is the last of a dying breed of humans that live hidden deep in the forests of Washington State. All of her life, she has heard horror stories about the Others, the beasts that live beyond the safety of the mountains. In ancient times, humans and the Others lived together in peace, but a great battle divided them and the shape-shifting species won the war. Ty Bearclaw, a grizzly shifter, is the curator at the Washington

State Animal Sanctuary, Research, and Observation Center (WSASROC). A call from a rancher about an unusual animal causing havoc along the borders of the National Forest brings him to the Olympic Mountain National Park. Ty is furious when he discovers that the rancher has placed a trap to capture the creature on government-protected property. His shock soon turns to horror and confusion when he locates the wounded 'animal.' Ty finds more than he expects when a human, thought to be extinct, turns up in the trap. What is even more confusing is his bear's reaction to the female. When word escapes about his discovery, Ty must fight to protect the unusual woman who is more than an oddity – she is his mate! Can Ty keep Ella alive and safe from a shifter obsessed with adding her to his private collection? Not only that, can he protect her when his own government threatens to take her away from him? **Julia Defiant** Apr 03 2020 Fans of Graceling and Six of Crows will thrill to the masterful world-building and fiercely flawed heroine in this heart-pounding follow-up to Julia Vanishes, book two in the Witch's Child trilogy. "Adventure, murder, romance, intrigue, and betrayal with a 16-year-old heroine that is both fierce and flawed at the same time." —Hypable.com Julia and a mismatched band of revolutionaries, scholars, and thieves have crossed the world searching for a witch. But for all the miles traveled, they are no closer to undoing the terrible spell that bound an ancient magic to the life of a small child. The evil, immortal Casimir wants that magic and every moment they hunt for the witch, Ko Dan, Casimir's assassins are hunting them. Julia can deal with danger. The thing that truly scares her lies within. Her strange ability to vanish to a place just out of sight has grown: she can now disappear so completely that it's like stepping into another world. It's a fiery, hellish world, filled with creatures who seem to recognize her—and count her as one of their own. So . . . is Julia a girl with a monster lurking inside her? Or a monster wearing the disguise of a girl? If she can use her monstrous power to save Theo, does it matter? In this riveting second book in the Witch's Child trilogy, Catherine Egan goes deep within the heart of a fierce, defiant girl trying to discover not just who but what she truly is. Praise for Julia Vanishes: "Egan's debut novel sparkles. A beautifully rendered world and exquisite sense of timing ensure a page-turning experience." —Publishers Weekly, starred review "Readers will find themselves immediately immersed in the narrative and invested in the fate of Julia, who is both feisty and flawed." —Booklist, starred review "Julia's a wonderful, fully realized heroine. . . . For those readers waiting for the sequel to Marie Lu's *The Rose Society*, a well-realized page-turner in the same vein." —Kirkus

*The Twin Souls: Books 1 & 2 of the Eternity Series* Mar 03 2020 A person can have many soul mates in a lifetime but, each person has only one twin soul in each life. This belief taught to me by my grandmother is one that has always filled me with wonder. As a young

child, she often sat next to me in front of the fire blazing brightly in our tipi and spoke of the legend of the twin souls. The legend is as old as creation itself. It is said that as the creator was making human beings he was surrounded by souls to place in them. The creator decided to take a single soul and split it in half creating twin souls. He then took the two twin souls and touched them together as light as a butterfly's kiss. The twin souls were then separated and placed respectively into man and woman. The creator lightly touched them together so that when they meet one day, they will recognize the other's soul as their twin. This is because they have already met at the beginning of creation and will immediately feel as if they have known each other forever. I am "Sumanitu taka kici mani wiya" which means she who walks with the wolf and live with my elderly grandmother, Shetawahki, who is a revered elder and medicine woman of the Lakota Sioux Nation and part of the Roaming Wolf Sioux Tribe.

**Defiant** Jan 25 2022 Rivals, enemies, lovers, Jenna and Drex are soon all three. She wants him, nearly as much as she resents him, so how can they ever hope to build a future together? Jenna has good reason to despise all Rodytes, but that doesn't keep her from longing for Drex, thinking of him night and day, and finding incredible pleasure every time they touch. Still, happily ever after is built on trust, and Jenna will never trust a Rodyte. Drex is determined to prove to Jenna that he is different. He never expected to find a mate, so he refuses to let her slip away. He will court her with ruthless patience, wear down her emotional defenses until she understands that she is the most important person in the universe to him. But hostilities between humans and the battle born are rapidly escalating and the couple keeps getting caught in the middle. Can they overcome their pasts and focus on the future or will the conflict consume their love? Note to Readers: This book contains detailed descriptions of sizzling passion only suitable for mature readers. From Cyndi: Battle Born is a fully integrated sci-fi series. Each romance is resolved within the given book, but many plot elements continue on from story to story. For this reason, it's best to read the books in order. Enjoy!

**Mated to the Alpha King** Jan 13 2021 You're beautiful and kind and very smart. But best of all, you're mine. Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises? Well, maybe, just maybe... they actually do happen. Maybe, beasts do exist. They do. I would know. I am bound to one. Whom, you may ask? Well, I am mated to the Alpha King. How? You will see. You will live through it with me. I am Theia Anderson. I am just like any one of you, human, alive, and breathing. But unlike any one of you, I've stumbled upon a world that until yesterday... I couldn't even fathom into existence. This is my story.

**Accidentally Mated** Sep 28 2019 Tristan Massey didn't set out to become the alpha of Fraser Lake's werewolf pack. All he wanted to do was borrow a car. But he couldn't ignore the dangerous direction his beloved pack was heading in. Jake Trenton, tiger shifter, has a

secret far more important than his unrequited love for his best friend. One that he will do anything to protect, even move thousands of miles away from everything he's ever loved. One night of passion ends with a mistake that ties them together for life and ends in disaster. While Tristan struggles with the consequences of letting go of his rigid control, Jake must decide whether he can show, and accept, his true nature.

**Encyclopedia of Lesbian Histories and Cultures** Jun 05 2020 A rich heritage that needs to be documented Beginning in 1869, when the study of homosexuality can be said to have begun with the establishment of sexology, this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours. It covers a long history and a dynamic and ever changing present, while opening up the academic profession to new scholarship and new ways of thinking. A groundbreaking new approach While gays and lesbians have shared many aspects of life, their histories and cultures developed in profoundly different ways. To reflect this crucial fact, the encyclopedia has been prepared in two separate volumes assuring that both histories receive full, unbiased attention and that a broad range of human experience is covered. Written for and by a wide range of people Intended as a reference for students and scholars in all fields, as well as for the general public, the encyclopedia is written in user-friendly language. At the same time it maintains a high level of scholarship that incorporates both passion and objectivity. It is written by some of the most famous names in the field, as well as new scholars, whose research continues to advance gender studies into the future.

**The Defiant Alpha** Apr 27 2022 An unwanted alpha and omega long-presumed dead... fate has a way of righting old wrongs. Stolen from his mother's arms and reported stillborn at birth, "Thirteen" has spent nearly twenty-one years in structured captivity with other stolen omegas. His brothers. A few have disappeared over the years, but twelve remain. An even dozen omegas, each with a secret superpower. Working together under the light of the full moon, their combined gifts help Thirteen escape-he's their only hope of finding outside help to rescue them all. Except Thirteen is injured and nearly dies as he flees into the night. Collapsing on the side of a desert highway with the sound of a rumbling motorcycle in his ears, Thirteen is sure all hope is lost. Until it's not... Found by his true mate, Thirteen is saved-and mated-before the full moon begins to wane. Buckle in for a heart-filled adventure. Omegas are rescued, babies are made, a pack finds its heart, and a birth family is reunited with the one miracle they never could've dared imagine possible. *The West Coast Wolves* is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. The second in series, this 50k full-length novel is Lucian's story. Prepare yourself for a few tissue moments, lots of laughter, and a birth scene you won't soon forget. But then again, this is a Susi Hawke book so what else can you expect? Possible trigger for child abduction, betrayal from a medical provider, and off-page mention of stillbirth.

**Viper's Defiant Mate** Nov 03 2022 Prince Viper d'Rojah, a warrior from the Sarafin cat shifter species, is not happy when he is sent on a special mission by his older brother Vox, King of the Sarafin. The mission is to deliver important documents to the human authorities before kidnapping the sister and grandmother of Vox's mate, Riley. He has handled tougher assignments in his sleep and just wants to get back to finding the traitors trying to kill him and his family! Tina St. Claire was finally happy with her life until her

big sister, Riley, suddenly disappeared. Even Grandma Pearl suspected that Riley's ex-employer was hiding something. Determined to find Riley, Tina's research unwittingly leads the danger to her and Grandma Pearl. The unexpected arrival of a strange man causes things to go from bad to worse when he gives her and Grandma Pearl a packet of material he claims is from Riley. Riley had warned Viper that neither her sister nor Grandma Pearl would willingly come with him. Viper could care less whether the females wanted to come or not, he had never failed a mission and wasn't about to start now. Viper soon discovers this mission has turned into the most important one of his life when both he and his cat recognize that Tina is their mate. Now, he has to keep Tina and her gun toting Grandmother alive. The question is, who is going to save him when both women discover his plans to kidnap them?

**Literary Impressionism in Jean Rhys, Ford Madox Ford, Joseph Conrad, and Charlotte Brontë** Jan 31 2020 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficultly accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.

*Oracle Defiant* May 29 2022 Danger and passion collide, but love was unexpected. My sister goes missing, and I bear the punishment of everyone's concern. I'm trapped on my family's compound until I accept a mate. But I refuse to listen. I'll never obey. Instead, I'll break rules, sneak out, and dance until sunrise. Being with my guards is an act of rebellion—and an act of submission. When dark forces strike, my visions could mean the difference between life and death. If only I could control them. I'm Sparrow Solaris: the Oracle who cannot See. *Oracle Defiant* is the first installment in the *Spellbound Shifters: Fates & Visions* series. It was previously published in the *Captivated* anthology. If you love #whychoose romance, hot shapeshifters, and heroines who aren't afraid to go for what they want, you'll love *Oracle Defiant*! **Mindstorms** Oct 29 2019 In this revolutionary book, a renowned computer scientist explains the importance of teaching children the basics of computing and how it can prepare them to succeed in the ever-evolving tech world. Computers have completely changed the way we teach children. We have *Mindstorms* to thank for that. In this book, pioneering computer scientist Seymour Papert uses the invention of LOGO, the first child-friendly programming language, to make the case for the value of teaching children with

computers. Papert argues that children are more than capable of mastering computers, and that teaching computational processes like de-bugging in the classroom can change the way we learn everything else. He also shows that schools saturated with technology can actually improve socialization and interaction among students and between students and teachers. Technology changes every day, but the basic ways that computers can help us learn remain. For thousands of teachers and parents who have sought creative ways to help children learn with computers, Mindstorms is their bible.
