[Insatiable Wives](#) Jul 08 2020 This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. It is called by many names, and lived in a variety of ways by different couples. The most common terms used to describe it are 'hotwife' or 'cuckold lifestyle.' This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men. The author includes interviews and comments from couples living the lifestyle throughout the U.S., and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships. He explores the psychological, social, biological, and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious.

Male Supremacism in the United States Apr 16 2021 Male Supremacism in the United States is a timely editorial collection providing analysis of current patriarchal, misogynistic, and antifeminist threats in the United States, The book theorizes how male supremacism—the system that disproportionately privileges cis men and subordinates women, trans men, and nonbinary people—and its accompanying ideology of male superiority undergird many of the most crucial phenomena of our time. The book examines how male supremacism manifests in three ways: as patriarchal traditionalism, as secular male supremacism, and in its intersections with other systems of oppression. From anti-abortion activism to misogynist incels to the Proud Boys, the collection illustrates how male supremacism plays a vital role in right-wing recruitment and organizing. The volume's contributions illuminate unique aspects of male supremacist ideology, practice, and culture. Together, they provide a sweeping overview of the development and deployment of male supremacism in the United States. This book will be of value to anyone studying or researching male supremacism, gender, feminism, women's studies, hate studies, and the far right.

British Indian Wife - Our Cuckold Game Sep 21 2021 This is a six chapter 19,800 word story that is all about Layla and Adams wife watching and cuckold game... Excerpt ... Chapter 1 - Night out with her friends I could smell it on her breath, as soon as she slid into bed next to me and started kissing me as she was obviously still very aroused. Was it the smell of another man's cum! I'm sure I could even taste it as she started to put her tongue in my mouth and snog away like a woman on heat. I didn't say anything at the time but just rolled onto my back and let her continue. Her hand had found my semi hard xxx as I had already come a couple of times lying in bed fantasizing about her meeting some guy in the casino where she went with her mates tonight. She came in at 4am and went out at 8pm last night so what the xxx has she been doing... Excerpt... Chapter 3 - Oscar's house His house was very secluded and must have been worth a couple of million at least... As I pulled into the driveway behind them, he was already at the passenger door and helping Layla out. He quickly put his arm around her and started fingering her from behind again as they walked to the front door. Layla looked back at me and said "Love you babe" I followed them inside and could see Oscar had done very well for himself financially. We went into his lounge and he sat next to Layla on the sofa and said, "Adam... I want you to sit over there and film. My wife and I were just like you two, many years ago and we used to go to Rome in Italy as they were far more into the swinging scene than the boring old UK ... Then we were introduced to a very exclusive club in Amsterdam ... Have you ever been there?" - Excerpt... Chapter 4 - Amsterdam Then... an announcement was made, directing all the new couples to the initiation room. We followed another 3 couples into an adjoining room that was typical of a dungeon play room full of equipment and racks etc. in a fetish club. Layla and the other 3 girls were stripped naked by the big black naked waiters and given long white cloaks to wear buttoned at the neck but fully open at the front. They were then all shackled to a long bar suspended from the ceiling by their wrists and ankle bars near the floor to spread their legs were attached to their ankles. The 4 girls were all shackled and standing in a line. Then we 4 husbands were made to wear a studded collar with ring attached and a lead attached to each of our necks. We were also stripped totally naked, except for the collar and leather lead. Some girls then appeared dressed as dominatrix's and carried these leather G string pouches with a built in ring that they inserted over our xxx. They pulled and caressed our xxx to make them hard and tightened the xxx rings so our xxx stood up front at all times. We were then made to stand facing our respective wives and told that we must not play with our own xxx while watching the initiation but the other members may come and play with, suck, insert butt plugs and even xxx us if they chose. But we must not come, until given permission. Layla was looking so xxx sexy being the only dark skinned Indian girl attached to the rail. Music started playing and the lights went down to almost blackness. I could just see Layla in front of me and all the other guests had formed a long line and were moving along the girls one by one, touching them all over.

Pornland Mar 16 2021 Professor Gail Dines has written about and researched the porn industry for over two decades. She attends industry conferences, interviews producers and performers, and speaks to hundreds of men and women each year about their experience with porn. Students and educators describe her work as "life changing." In *Pornland*—the culmination of her life's work—Dines takes an unflinching look at porn and its affect on our lives. Astonishingly, the average age of first viewing porn is now 11.5 years for boys, and with the advent of the Internet, it's no surprise that young people are consuming more porn than ever. But, as Dines shows, today's porn is strikingly different from yesterday's *Playboy*. As porn culture has become absorbed into pop culture, a new wave of entrepreneurs are creating porn that is even more hard-core, violent, sexist, and racist. To differentiate their products in a glutted market, producers have created profitable niche products—like teen sex, torture porn, and gonzo—in order to entice a generation of desensitized users. Going from the backstreets to Wall Street, Dines traces the extensive money trail behind this multibillion-dollar industry—one that reaps more profits than the film and music industries combined. Like *Big Tobacco*—with its powerful lobbying groups and sophisticated business practices—porn companies don't simply sell products. Rather they influence legislators, partner with mainstream media, and develop new technologies like streaming video for cell phones. Proving that this assembly line of content is actually limiting our sexual freedom, Dines argues that porn's omnipresence has become a public health concern we can no longer ignore.

[Black Sexual Economies](#) Mar 28 2022 A daring collaboration among scholars, *Black Sexual Economies* challenges thinking that sees black sexualities as a threat to normative ideas about sexuality, the family, and the nation. The essays highlight alternative and deviant gender and sexual identities, performances, and communities, and spotlights the sexual labor, sexual economy, and sexual agency to black social life. Throughout, the writers reveal the lives, everyday negotiations, and cultural or aesthetic interventions of black gender and sexual minorities while analyzing the systems and beliefs that structure the possibilities that exist for all black sexualities. They also confront the mechanisms of domination and subordination attached to the political and socioeconomic forces, cultural productions, and academic work that interact with the energies at the nexus of sexuality and race. Shipwrecked Oct 23 2021 Ryan's been asking Aaron and Paige to join him on his charter-boat vacation for years. They're finally on the boat, having a great time when they hit a snag: engine trouble. The ship's captain, Maceo, seems competent but can't fix the problem. The radio's working but no one's calling back. Paige spots an island. Funny it's not on any of the charts. Only thing to do is sit it out and wait for help to arrive. No problem. They were here to party anyways. Plenty of booze left. Fish to eat and a gorgeous, desolate beach with a gentle surf. But with nothing to do Aaron's imagination starts to run a little wild. Is he imagining it or is Paige strutting her stuff more than she normally does? Parading around in a skimpy bikini daring the other guys to stare at her? Why would she do that? She's married to him, after all. When Maceo drops an unexpected line about

his girl back home Aaron's curiosity is ignited. What would it be like to watch his wife with another man?

CUCKOO'S EGG Jun 18 2021 Before the Internet became widely known as a global tool for terrorists, one perceptive U.S. citizen recognized its ominous potential. Armed with clear evidence of computer espionage, he began a highly personal quest to expose a hidden network of spies that threatened national security. But would the authorities back him up? Cliff Stoll's dramatic firsthand account is "a computer-age detective story, instantly fascinating [and] astonishingly gripping" (Smithsonian). Cliff Stoll was an astronomer turned systems manager at Lawrence Berkeley Lab when a 75-cent accounting error alerted him to the presence of an unauthorized user on his system. The hacker's code name was "Hunter"—a mysterious invader who managed to break into U.S. computer systems and steal sensitive military and security information. Stoll began a one-man hunt of his own: spying on the spy. It was a dangerous game of deception, broken codes, satellites, and missile bases—a one-man sting operation that finally gained the attention of the CIA . . . and ultimately trapped an international spy ring fueled by cash, cocaine, and the KGB.

Married Couple Visit a Swinger Club Jun 30 2022 Sara and Adrian are late 30s and married with teenage children. School holidays and the kids going to stay with their grandparent's leaves the quite stale and unexcited couple home alone for 5 days. An unexpected invitation for Adrian to have a quick peep inside a new swinger's club on his way home from work one night sparks an idea that beautiful Sara quickly becomes excited about....The 'First Cuckolding' stories have two distinct themes: They are about pre-planned, voluntary cuckolding with the husband having some control (no domination & humiliation). They are about the events and discussions leading to the wife being shared and the first experience(s) - about tentative experimentation rather than seasoned, hard-boiled swingers in action. This story, like all under the Matt Coolomon banner, contains high level, graphically depicted erotic scenes. The characters are consenting adults.

Fierce Marriage May 30 2022 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Review, O Magazine, Vanity Fair, Los Angeles Times, Glamour, Shondaland, Boston Globe, and many more! "So delicious that it feels illicit . . . Raven Leilani's first novel reads like summer: sentences like ice that crackle or melt into a languorous drip; plot suddenly, wildly flying forward like a bike down a hill." —Jazmine Hughes, The New York Times Book Review No one wants what no one wants. And how do we even know what we want? How do we know we're ready to take it? Edie is stumbling her way through her twenties—sharing a subpar apartment in Bushwick, clocking in and out of her admin job, making a series of inappropriate sexual choices. She is also haltingly, fitfully giving heat and air to the art that simmers inside her. And then she meets Eric, a digital archivist with a family in New Jersey, including an autopsist wife who has agreed to an open marriage—with rules. As if navigating the constantly shifting landscapes of contemporary sexual manners and racial politics weren't hard enough, Edie finds herself unemployed and invited into Eric's home—though not by Eric. She becomes a hesitant ally to his wife and a de facto role model to his adopted daughter. Edie may be the only Black woman young Akila knows. Irresistibly unruly and strikingly beautiful, razor-sharp and slyly comic, sexually charged and utterly absorbing, Raven Leilani's *Luster* is a portrait of a young woman trying to make sense of her life—her hunger, her anger—in a tumultuous era. It is also a haunting, aching description of how hard it is to believe in your own talent, and the unexpected influences that bring us into ourselves along the way. "An irreverent intergenerational tale of race and class that's blisteringly smart and fan-yourself sexy." —Michelle Hart, O: The Oprah Magazine

White Feathers Jan 14 2021 The surprising, rich life of tree swallows in nesting season--with Heinrich's beautiful illustrations and photographs--by the acclaimed naturalist. Heinrich is sparked one early spring day by a question: Why does a pair of swallows in a nest-box close to his Maine

cabin show an unvarying preference for white feathers--not easily available nearby--as nest lining? He notices, too, the extreme aggressiveness of "his" swallows toward some other swallows of their own kind. And he wonders, given swallows' reputation for feistiness, at the extraordinary tameness and close contact he experiences with his nesting birds. From the author of the beloved books *Ravens in Winter* and *A Naturalist at Large*, this richly engaging view of the lives of wild birds, as always with Heinrich, yields "marvelous, mind-altering" insight and discoveries. --Los Angeles Times
