[She Plays Boogie-Woogie & Blues Piano](#) Aug 31 2022 Boogie-woogie is an intoxicating music style that touches the heart and uplifts the spirit of players and listeners alike. Combining boogie-woogie, blues, rock, and rock 'n' roll elements into an enticing mix, boogie & blues piano offers pianists the freedom to play unaccompanied and to present a repertoire that is based on their own particular strengths. The rules of improvisation and how to jam along with other musicians are much easier to learn than in complex jazz music. Boogie-woogie is also a masculine domain and female pianists are underrepresented. While the large hands and strong male physique associated with greater power and endurance are a great advantage, women and girls can now take heart and are perfectly able to groove and boogie with the best of players by adjusting the notes and licks to a smaller hand with a lighter touch. German ULRIKE GAATE is one of the few female boogie & blues piano players in Europe, and New Zealander JAN PRESTON is known as the 'Queen of Boogie Piano' in Australia, where she now lives. The authors met from across the world through their shared love of the boogie piano tradition. They have produced this boogie & blues tutor to help and inspire female players of all ages to experience the uplifting energy and abundant possibilities of this style. Written for all small-handed piano players, regardless of gender, the book contains original compositions specifically arranged for pianists with small hands ranging in difficulty from lower intermediate to advanced, as well as a variety of suitable left hand patterns and many exercises. The authors present important characteristics of the boogie & blues piano style and provide tips on how to improvise. Audio samples are downloadable as mp3 files and QR codes. *The Story of Boogie-Woogie* Jul 06 2020 *The Story of Boogie-Woogie: A Left Hand Like God* examines the socio-historical background of the boogie-woogie piano style, from its early appearances in the barrelhouses of lumber, turpentine, and railroad camps in the southern United States, to its emergence at rent parties in Chicago and St. Louis, to its rise as a popular form of music in the nightclubs of New York, to its status as an international craze during World War II. In this enhanced revision of *A Left Hand Like God*, Peter J. Silvester presents a comprehensive history of boogie-woogie, describing the style's appearance and development, its offshoots, and the pianists who made it famous, and studying its impact on rhythm and blues, urban blues, and big band swing, leading to the eventual revival of 'classical' boogie-woogie in concerts and festivals. Silvester discusses significant European and American pianists of boogie-woogie throughout history, providing biographical information about their life styles and musical influences and offering an analysis of their important recordings. The book also includes a new chapter on the contribution of national and independent record companies to the recording of boogie-woogie music. A thorough bibliography and a final appendix providing many of the bass patterns common in boogie-woogie make this a valuable reference.

*How to Play Boogie Woogie Guitar* Aug 07 2020 (Guitar Educational). Boogie woogie music is one of the greatest influences on the blues, swing jazz and rock 'n' roll. The style is usually identified more with the piano than the guitar; however, boogie woogie actually seems to have originated with guitar players during the latter half of the 19th century in the rough "barrel houses" of the turpentine and lumber camps of the American South. Now with this book and video pack, trace the history of boogie woogie guitar with blues historian Dave Rubin and learn how to play the essential patterns that influenced generations of musicians. Features video lessons with demonstrations of every music example in the book!

**The Little Blues & Boogie Piano Book** Jun 28 2022 Boogie-woogie touches the heart and lifts the spirits of both players and listeners. Unlike most other musical styles the piano takes centre stage and is not just an accompanying instrument. Boogie & blues piano combines boogie-woogie, blues, rock and rock 'n' roll elements into an enticing mix. The rules of improvisation and how to play along in jam sessions are much easier to learn than, for instance, in complex jazz. Many tricks and licks for playing boogie-woogie have before now been passed from person to person in the international music scene and have not been available in published books. For outstanding pianist and Steinway artist JOJA WENDT, discovered by Joe Cocker during a jam session in a Hamburg piano bar and booked by him as a support act, boogie-woogie was the entry into a successful international career that has now spanned more than 30 years. JOJA WENDT and ULRIKE GAATE, who is one of the very few female boogie & blues piano players in Europe, are experienced musicians who have collaborated to produce this exciting book. They present easily understood and succinct expert tips to help amateur enthusiasts and the next generation of talent alike enter the fascinating world of boogie & blues piano. The book contains clearly structured information provided by experienced professionals, tips for live performance, piano sheet music, original compositions, fingering notations, a large variety of bass lines and multiple exercises. More than 40 mp3 audio samples are downloadable from Joja Wendt's online piano academy:

[www.joaspianoacademy.de](http://www.joaspianoacademy.de). Eight original transcriptions, including by Hersal Thomas, Albert Ammons, Meade 'Lux' Lewis und Jimmy Yancey, are included. **Hot Music, Ragmentation, and the Bluing of American Literature** May 04 2020 *Hot Music, Ragmentation, and the Bluing of American Literature* examines the diverse ways in which African American "hot" music influenced American culture - particularly literature - in early twentieth-century America. Steven C. Tracy provides a history of the fusion of African and European elements that formed African American "hot" music, and considers how terms like ragtime, jazz, and blues developed their own particular meanings for American music and society. He draws from the fields of literature, literary criticism, cultural anthropology, American studies, and folklore to demonstrate how blues as a musical and poetic form has been a critical influence on American literature. -- from dust jacket.
