**Love Me Slender Oct 09 2020 Based on cutting-edge research with more than 1,000 married couples, this "revolutionary book" (Harville Hendrix, PhD, coauthor of Making Marriage Simple) shows you how to bolster your resolve by strengthening your relationship, offering a fresh approach to weight loss that will turn your spouse from diet saboteur into your most loyal health ally. First comes love, then comes marriage...then comes a larger pant size? Many couples find themselves gaining weight as they settle into a relationship, but some couples manage to buck this trend. They exercise (together or separately), they support each other's healthy eating habits, and their relationships are stronger as a result. What are their secrets? It turns out that many of us are ignoring the most powerful tool we have to help us get healthier and stay healthier—our spouse or significant other. For more than twenty years, Drs. Thomas Bradbury and Benjamin Karney, codirectors of the Relationship Institute at UCLA, have been studying how couples communicate around these issues, witnessing firsthand how partners can help (and hinder) one another's progress toward better health. In Love Me Slender, they identify the specific principles that successful couples use in their quest to improve their health. Love Me Slender offers new solutions based on a remarkable insight: The powerful connection we share with our mate can influence what we eat, how much we exercise, how well we age, and ultimately how long we live. Strengthening this connection, and using it to influence our daily habits, holds the key to better health. Featuring self-assessments and case studies from real couples working to stay healthy together, Love Me Slender is an eye-opening, uplifting guide to changing the dynamic of your relationship and improving your health—and the health of those you love most.**

**Don't Lose Your Mind. Lose Your Weight Apr 26 2022 Don't Lose Your Mind, Lose Your Weight, the country's highest-selling diet book, has revolutionized the way Indians think about food and their eating habits. Funny, easy to read and full of great advice, it argues that we should return to our traditional eating roots (yes, ghee is good for you), nutrients are more important than calories (cheese over biscuits) and, most importantly, the only way to lose weight is to keep eating. Rujuta Diwekar is one of the country's best nutritionists, with deep roots in yoga and Ayurveda and a client list which boasts some of Bollywood's biggest names. In the updated edition of this classic, she has added an extensive Q&A section which deals with the questions she gets asked most by her clients.**

**Love Yourself & Lose Weight: The Success Story of Self Love May 28 2022 "This isn't just another weight loss book, it's so much more" - Online Book Club "An easy-to-read book with a unique approach to weight loss." - Reedsy "This book will help you to harness the power of self-love, change your relationship with food and exercise, achieve your weight loss goals and fall in love with you. Yes, self-love can help you lose weight - it helped me lose over 85 pounds. I share my story to help others learn to love themselves more, overcome weight issues, and get the body they desire and deserve." WHO THIS BOOK IS FOR Diets not working for you? Not loving the gym? Feeling fed up with being overweight? This book is for anyone who wants to make a change in their lives. WHY DIETS ALONE DON'T WORK There's a reason restrictive diets and strict exercise regimes don't work. Technically, any regime will work if you can 'stick at it', but sticking at it is hard. Hey, even starting is hard, right? To make a big change we need to change our mindset first. THIS IS A REVOLUTIONARY NEW WEIGHTLOSS METHOD Instead of starting diets or exercise regimes and trying, or hoping for the best, it's time for a new weightloss method. To do what's necessary to shift the weight via any diet or exercise regime, first you have to fix your relationship with you. Love Yourself & Lose Weight offers a revolutionary and visionary approach to weightloss that's not about the food you eat or the calories you burn, no, it's simply all about you. If you don't accept, like, and love yourself, you're missing a key ingredient to any weightloss regime - you're missing what you need to make the change. Without self-love, the chances are stacked against you and it's more likely that whatever you try will fail. SELF LOVE IS THE KEY What if learning to absolutely love yourself could be the key? "With self-love on my side I lost over 85 pounds forever. I'm sharing my secrets of self-love to help you lose weight too. If I can do it, anyone can!" THIS IS A TRANSFORMATIONAL STORY This is the success story of self-love. Years of telling herself she was fine, that the weight gain didn't matter, that she didn't matter - had taken their toll and she was over 85 pounds overweight. She didn't want to wake up feeling disappointed anymore, she knew she needed a change and she knew diets had never worked. A year and a half later, having discovered the power of self-love, she had lost over 85 pounds, changed her shape, changed her outlook on pretty much everything. LEARN THE POWER OF SELF LOVE This book explains the psychology and power of self-love as a catalyst for weightloss. **Preparation for Death Aug 19 2021 Meditation on death, though it seems depressing to many, is essential for our Salvation! Death is the one journey every man must go through alone. It is the one thing that sobers us all and can set us on a more resolute path to Holiness. But this path only begins after facing the reality of death, for to avoid it only increases our fear. In this popular abridgment of his monumental Preparation for Death, St Alphonsus teaches us the proper attitude toward death, which is one of readiness, of always having our debts cleared. Each chapter is a short consideration with three points, easily understood by laity in all states of life. Each point is followed by meditations and prayers for perseverance in our efforts to lead good lives. To aid busy priests in their sermons, St Alphonsus purposely included texts from Scripture and passages from the Holy Fathers, personally selected by the Saint himself to touch the heart of every reader and listener. St Alphonsus shows us how death is, on the natural level, a great sorrow but, on the supernatural level, a great gift. Understanding it as a gift and implementing this knowledge in our lives is the lesson of each powerful meditation. This book is a wonderful way to enhance your Lenten devotions and gain a more profound gratitude for Christ's victory over Death and Hell through His crucifixion and Resurrection!**
