Tom Brown's School Days Oct 29 2019

Harry Potter's School Books Feb 11 2021 As featured in the first year set texts reading list in Harry Potter and the Philosopher's Stone, 'Fantastic Beasts and where to find them' is an extensive introduction to the magical beasts that exist in the magical, non-Muggle world. Some of the animals featured in the A-Z you will have already met in the existing Harry Potter books: for example Hippogriff, Flobberworm, Kappa - others you certainly won't: read on to find out exactly what a Chizpurfle is, why there are so few Erumpents, or why one should always beware of the sinister Lethifold...As Albus Dumbledore says in his introduction, this set text book by Newt Scamander has given the perfect grounding to many a Hogwarts student. It will be helpful to all Muggles out there too... On

reading the book you will also find that Harry, Ron and (in one instance) Hermione - couldn't resist graffitiiing the book, and adding their own personal hand-written opinions. Did you know that : there are 700 ways of committing a foul in Quidditch? The game first began to evolve on Queerditch Marsh? What Bumping is? That Puddlemere United is oldest team in the Britain and Ireland league? (founded 1163) All this information and much more could be yours once you have read this book: this is all you could ever need to know about the history, the rules - and the breaking of the rules - of the noble wizarding sport of Quidditch.

Harry Potter and the Cursed Child Nov 10 2020 The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee

of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for *Harry Potter and the Cursed Child* was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of *Harry Potter and the Cursed Child*.
