The Curious Incident of the Dog in the Night-Time Jan 26 2022 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Housing Characteristics of Selected Races and Hispanic-origin Households in the United States Jan 02 2020 This report presents a statistical overview of the current housing conditions of selected races: White, Black; American Indian, Eskimo, or Aleut; and Asian or Pacific Islander households. Data are also shown for Hispanic-origin households. Generally, the report is based on data collected from the American Housing Survey (AHS) for the United States in 1987, a biennial national sample survey of approximately 55,800 housing units conducted by the Bureau of the Census for the Department of Housing and Urban Development. Since the AHS does not obtain data on the individual groups comprising the Asian or Pacific Islander and the Hispanic-origin populations, data from the 1980 Public-Use Microdata Sample, a 1-percent sample of the United States population as enumerated in the 1980 Census, are included in this publication.

Rush Revere y los peregrinos valientes Jun 06 2020 ¿Así que crees que la historia es aburrida? Un hombre llamado Rush Revere está por cambiar tu opinión, ¡más de lo que te imaginas! Prepárate para la clase de historia más emocionante de todos los tiempos con Rush Revere y los peregrinos valientes. ¡Conoce al gran amigo de Rush Limbaugh: Rush Revere! Está bien, está bien, mi nombre en realidad es Rusty—pero mis amigos me llaman Rush—. Rush Revere. Porque siempre he sido el

fan número uno del tipo colonial más cool de todos los tiempos, Paul Revere. ¡Qué estrella de rock! Tanto quiso proteger al joven Estados Unidos que cabalgó por aquellas calles adoquinadas y disparejas gritando: “¡Vienen los británicos!”. Arriba de un caballo. A todo pulmón. El viento soplando, una lluvia torrencial... Bueno, te lo puedes imaginar. Pero, ¿qué tal si pudieses ver la imagen real, volviendo atrás en el tiempo y observando con tus propios ojos cómo se creó nuestro gran país? ¿Conociendo la gente que lo hizo posible —personas como tú y yo? ¡Agárrate de tu sombrero triangular puntiagudo porque lo puedes hacer —conmigo, Rush Revere, un aparentemente normal maestro sustituto de historia, como tu guía turístico a través del tiempo! “¿Cómo?” preguntas. Bueno, hay un portal. Y un caballo. Mi caballo que habla llamado Libertad. Y, pues, confía en mí, logrará que lleguemos allí. Comenzaremos acompañando a una barcada de familias valientes viajando en el Mayflower en 1620. ¡Aburrido? No lo creo. El año 1620 fue bastante fenomenal, y experimentarás exactamente lo que ellos hicieron en esa difícil y peligrosa travesía por el océano. Juntos, les haremos a los peregrinos todas nuestras preguntas, descubriremos cómo viven y los acompañaremos durante el primer Día de Acción de Gracias, y mucho más. ¡Así que ensilla tu caballo y cabalgemos! Nuestra nación excepcional está esperando ser descubierta de nuevo por excepcionales patriotas jóvenes, ¡como tú!
