Bhagat Singh The Eternal Rebel Oct 30 2019

The Eternal Audience of One Jul 08 2020

"Meet the future of African literature" (Mukoma Wa Ngugi, author of *Nairobi Heat*) with this "gorgeous, wildly funny, and, above all, profoundly moving and humane" (Peter Orner, author of *Am I Alone Here*) coming-of-age tale following a young man who is forced to flee his homeland of Rwanda and make sense of his reality. Nobody ever makes it to the start of a story, not even the people in it. The most one can do is make some sort of start and then work toward some kind of ending. One might as well start with Séraphin: playlist-maker, nerd-jock hybrid, self-appointed merchant of cool, Rwandan, stifled and living in Namibia. Soon he will leave the confines of his family life for the cosmopolitan city of Cape Town, where loyal friends, hormone-saturated parties, adventurous conquests, and race controversies await. More than that, his long-awaited final year in law school promises to deliver a crucial puzzle piece of the Great Plan immigrant: a degree from a prestigious university. But a year is more than the sum of its parts, and en route to the future, the present must be lived through and even the past must be survived in this "hilarious and heartbreaking" (Adam Smyer, author of *Knucklehead*) intersection of pre- and post-1994 Rwanda, colonial and post-independence Windhoek, Paris and Brussels in the 70s, Nairobi public schools, and the racially charged streets of Cape Town. "Visually striking and beautiful told with youthful energy and hard-won wisdom" (Rabeah Ghaffari, author of *To Keep the Sun*

Alive), *The Eternal Audience of One* is a lyrical and piquant tale of family, migration, friendship, war, identity, and race that will sweep you off your feet.

In the lost land of Tav, he was Garan, who would supply the link with their most ancient past. And in a world far distant in space and time, he was Garan of Yu-Lac, who would stand alone between a planet's doom and the ones he loved. *Garan the Eternal* is a web of wonders woven by a master writer. It is the story of three lives tied by a recurrent destiny—that of Kepta the Ambitious, of Thrala the Divine, and of Garan himself, man of three worlds.

One Friday in April: A Story of Suicide and Survival Oct 11 2020 One of TIME's 100 Must-Read Books of 2021 One of BuzzFeed's Best Books of 2021 One of Vulture's Best Books of 2021 Named one of the Most Anticipated of Books of 2021 by the Los Angeles Times, Literary Hub, and The Millions A searing and brave memoir that offers a new understanding of suicide as a distinct mental illness. As the sun lowered in the sky one Friday afternoon in April 2006, acclaimed author Donald Antrim found himself on the roof of his Brooklyn apartment building, afraid for his life. In this moving memoir, Antrim vividly recounts what led him to the roof and what happened after he came back down: two hospitalizations, weeks of fruitless clinical trials, the terror of submitting to ECT—and the saving call from David Foster Wallace that convinced him to try it—as well as years of fitful recovery and setback. Through a clear and haunting reckoning with the author's own story, *One Friday in April* confronts the limits of our understanding of suicide. Donald Antrim's personal insights reframe suicide—whether in thought or in action—as an illness in its own right, a unique consequence of trauma and personal isolation, rather than the choice of a depressed person. A necessary companion to William Styron's classic *Darkness Visible*, this profound, insightful work sheds light on the tragedy and mystery of suicide, offering solace that may save lives.

The Gospel of Life Jan 02 2020 Reaffirming the "greatness and inestimable value of human life," Pope John Paul II discusses in this encyclical letter the present-day legal, ethical, and moral threats to life. In view of today's climate of practical materialism, he addresses, among other issues: abortion artificial reproduction techniques contraception death penalty euthanasia legitimate defense sterilization suicide The Holy Father encourages the faithful to promote and develop the Christian message concerning life, based on the goodness and dignity of life and on the human responsibility to share in the fullness and truth of God's love. In order to build a new culture of human life through prayer and action, he welcomes evangelization efforts and stresses the role of the family in bringing this to fruition. Noting the unique role of women in promoting a "new feminism" that overcomes discrimination, violence, and exploitation, the pope recognizes the witness of love through motherhood and also adds a special word to women who have had an abortion. The letter concludes by looking to Jesus, in order that all may contemplate the life that was made manifest, and to the example and solace of Mary, who is the mother of life.

Death, Immortality, and Eternal Life Jan 14 2021 This book offers a multifaceted exploration of death and the possibilities for an afterlife. By incorporating a variety of approaches to these subjects, it provides a unique framework for extending and reshaping enduring philosophical debates around human existence up to and after death. Featuring original essays from a diverse group of international scholars, the book is arranged in four main sections. Firstly, it addresses how death is or should be experienced, engaging with topics such as near-death experiences, continuing bonds with the deceased, and attitudes toward dying. Secondly, it looks at surviving death, addressing the

metaphysics of human persons, the nature of time, the nature of the true self, and the nature of the divine. It then evaluates the value of mortality and immortality, drawing upon the resources of the history of philosophy, meta-analysis of contemporary debates, and the analogy between individual death and species extinction. Finally, it explores what an eternal life might be like, examining the place of selflessness, embodiment, and racial identity in such a life. This volume allows for a variety of philosophical and theological perspectives to be brought to bear on the end of life and what might be beyond. As such, it will be a fascinating resource for scholars in the philosophy of religion, theology, and death studies.

The Eternal Ones of the Dream May 06 2020 A breathtaking collection of work from 1990 to 2010 by Pulitzer Prize and National Book Award winner James Tate. James Tate's poems are evocative, provocative, funny, subtle, eccentric, occasionally disturbing, and wildly outrageous. His surrealist style strikes its own utterly new and original note in American poetry, transforming our everyday world into sublime burlesque—a world where women give birth to wolves, wild babies are found in gardens, and Saint Nick visits on a hot July day. Tate's signature style draws on a marvelous variety of voices and characters, all of which sound vaguely familiar but are each fantastically unique, brilliant, and deeply particular. *The Eternal Ones of the Dream* features Tate's work from the last two decades, selected from seven books of poetry. The poems span from 1990's *Distance from Loved Ones* to 2009's *The Ghost Soldiers*, showcasing the impressive breadth of talent. As W. S. Merwin said of Tate, "Mr. Tate's gift is such that many of [his] poems move me at least to plain envy of what he can do."

matter?' This is the riddle that drove Douglas Hofstadter to write this extraordinary book. In order to impart his original and personal view on the core mystery of human existence - our intangible sensation of 'I'-ness - Hofstadter defines the playful yet seemingly paradoxical notion of 'strange loop', and explicates this idea using analogies from many disciplines.
