**Equine Reproduction** Sep 01 2022 Now in a much-anticipated two-volume new edition, this gold-standard reference stands as the most comprehensive and authoritative text on equine reproduction. Serving theriogenologists, practitioners and breeders worldwide as a one-stop resource for the reproductive assessment and management of equine patients, *Equine Reproduction, Second Edition* provides detailed information on examination techniques, breeding procedures, pregnancy diagnosis and management, reproductive tract diseases and surgery, and foaling. A companion CD offers hundreds of images from the book in color. For the Second Edition, the stallion, mare and foal sections have been thoroughly updated and revised to include the latest information on every subject. New topics include discussion of nutritional and behavioral factors in the broodmare and stallion, parentage testing, fetal sexing and the health and management of older foals, weanlings and yearlings. Additionally, this outstanding Second Edition features a new section on assisted reproductive techniques, including detailed information on artificial insemination, in-vitro fertilization, embryo transfer and technology.

A Research Guide to Southeastern Europe Aug 27 2019 This book seeks to aid scholars of all stripes in researching the nations, states, and peoples of the Balkan Peninsula in the Modern Age, presenting a single-source alternative to scholars for launching projects that span the humanities and social sciences.

The Routledge Dictionary of Pronunciation for Current English Sep 20 2021 The Routledge Dictionary of Pronunciation for Current English is the most up-to-date record of the pronunciation of British and American English. Based on research by a joint UK and US team of linguistics experts, this is a unique survey of how English is really spoken in the twenty-first century. This second edition has been fully revised to include: a full reappraisal of the pronunciation models for modern British and American English; 2,000 new entries, including new words from the last decade, encyclopedic terms and proper names; separate IPA transcriptions for British and American English for over 100,000 words; information on grammatical variants including plurals, comparative and superlative adjectives, and verb tenses. The most comprehensive dictionary of its type available, The Routledge Dictionary of Pronunciation for Current English is the essential reference for those interested in English pronunciation.

Walter de la Mare Mar 03 2020 This book aims to put Walter de la Mare back on the literary map. A writer beloved by many, he has nevertheless remained on the sidelines of literary history. Walter de la Mare: Critical Appraisals promises to restore his reputation as

one of the most memorably haunting of poets, as well as a peculiarly unnerving writer of ghost stories. A collection of varied, wide-ranging essays on de la Mare's poetry, stories, novels, reviews and lectures, it puts his work beside that of many of his famous contemporaries, including Thomas Hardy, Robert Frost, W. H. Auden, T. S. Eliot and Katherine Mansfield. It also contains an invaluable survey of his archive, much of it unpublished, and a number of newly commissioned poems reflecting on his legacy. This multifaceted volume will be of interest to students working on twentieth-century poetry, the short story, the nature and limits of modernism and British intellectual history, as well as on de la Mare himself. List of contributors: Catherine Charlwood, Guy Cuthbertson, Peter Davidson, Giles de la Mare, Andrew Doyle, Suzannah V. Evans, Adam Guy, Robin Holloway, Yui Kajita, Zaffar Kunial, Gregory Leadbetter, Angela Leighton, Erica McAlpine, Jenny McDonnell, Will May, Andrew Motion, Paul Muldoon, A. J. Nickerson, Seamus Perry, Adrian Poole, Camille Ralphs, Vidyan Ravinthiran, Peter Scupham, A. E. Stallings, Mark Valentine, Rory Waterman, Anne Welsh, David Wheatley, Rowan Williams, William Wootten.

**Clinical Equine Oncology E-Book** Apr 15 2021 Diagnose common equine tumors accurately and find clinical information quickly! Clinical Equine Oncology describes the cellular basis of cancer and its etiopathogenesis, along with the principles of diagnosis, treatment, and management of cancer cases. This comprehensive resource offers more than just facts and diagrams — hundreds of detailed photographs make it easier to recognize and evaluate more than 50 types of tumors. It's useful to anyone working in the equine field, whether you're a veterinary surgeon, a practicing vet, equine dentist, or veterinary student. Written by a recognized expert on equine medicine, Derek Knottenbelt, this is the only book on the market that is completely dedicated to coverage of cancer in horses! More than 50

different types of tumor are covered, including tumors that occur in each of the 10 body systems. Over 800 excellent-quality photographs show the appearance of pathologies and cancerous conditions both before and after treatment. More than 80 full-color diagrams summarize key information. Detailed Pathology section describes common neoplasms in horses, cites research literature, and describes what is generally known about each condition. Authoritative, inclusive, and unique coverage is likely to remain the standard reference for years to come. Expert authors are recognized as the top experts in the field of equine oncology. Practical, colorful design includes icon-based references for quick appraisal of prevalence and prognosis.

potrivirii cuvintelor, Anamaria Smigelschi ne poftete s-o urmăm în lungul ei-n latul lumii, din India până-n Mexic și din Suedia până-n Egipt, într-o călătorie ce țerpuiește nu doar prin spațiu, ci și prin timp. Ghid neobosit și entuziast, autoarea se strecoară, cu ușurință celui care se simte pretutindeni ca acasă, prin palate strălucite, bazaruri încercate de minunății, muzee care-și taie răsuflarea și catedrale semețe, zgrăvindu-ne toate câte le vede când cu vervă și umor, când cu pioasă admirație. Gusturi, mirosuri, culori, sunete, senzații se amestecă într-o învârtăjită simfonie a simțurilor, nelăsându-ne o clipă de răgaz între două călătorii. Iar undeva, bine tănuț în spatele urzelii narrative, ghicim iubirea Anamariei Smigelschi pentru trecut, pentru acel „ieri“ din titlu, dinaintea căruia face o reverență: „Nu-mi plac orașele futuriste care cresc din soluri mustind de petrol și dolari, insulele artificiale desenate pe ocean în formă de palmieri și enormele turnuri răsucite în spațiu înfrângând toate legile echilibrului și ale logicii. Trecutul însuși mă pasionează, civilizațiile antice, misterioase îmi taie respirația, la fel locurile călcate de oameni vechi, țlefuite cu palma, ridicate cu puterea minții“. Zeița Ganga, din nemărginita-i grație, a turnat apă în capul zeului. Apa s-a scurs printre țuvițele-i răsucite, răcorindu-l. De atunci, indienii cred că baia purificatoare în undele râului îi va izbăvi de chinul reîncarnărilor și drumul lor către Nirvana va fi lin. La Varanasi, orașul sfânt al Indiei, pe seară, 25 de adulți și un tinerel peltic și deosebit de obraznic ne-am cocoșat, doi câte doi, în 13 rize de elate și am pornit într-o goană incredibilă spre Gange. Pe străzi înguste și aglomerate ne-am

luptat cu alte sute de ricșe, motociclete, taxiuri bombate ca niște gândaci cu spinarea galbenă din mușama, claxonând în delir, printre mii de indieni tuciorii, negustori ambulanți sau stabili, agitați în fața dughenelor mizerabile cu mârțuri heteroclite, atârinate sub firmele pestrișe, pe un caldarâm plin de hârtoape și cu movile de gunoaie la intersecții. Am coborât pe treptele cheiului cu o spaimă nebună și nu ne pierdem unii de alții în mulțimea colorată, noroc de un domn general din grup cu un cap mai înalt decât toți ceilalți. Am primit buchețele de flori cu lumânărișe de la splendide fșpturi înfșurate în sariuri strălucitoare și le-am plătit cu sume variind între 20 și 200 de rupii, în funcție de rezistența noastră la lumina ochilor lunecoși. Cu o dorință în gând ce avea să se împlinească, le-am dat drumul pe apa deja plină de luminișe plutind printre sutele de bărci cu pelerini și turiști. O puzderie de copii se înghesuiau să ne arate o treaptă primejdioasă sau o groapă, după care își pretindeau recompensa. – India, 2009
