*Chapter 5: Atmospheric Structure and Radiation Transfer* Feb 12 2021 Chapter 5: Atmospheric Structure and Radiation Transfer of the eBook Understanding Physical Geography. This eBook was written for students taking introductory Physical Geography taught at a college or university. For the chapters currently available on Google Play presentation slides (Powerpoint and Keynote format) and multiple choice test banks are available for Professors using my eBook in the classroom. Please contact me via email at Michael.Pidwirny@ubc.ca if you would like to have access to these resources. The various chapters of the Google Play version of Understanding Physical Geography are FREE for individual use in a non-classroom environment. This has been done to support life long learning. However, the content of Understanding Physical Geography is NOT FREE for use in college and university courses in countries that have a per capita GDP over \$25,000 (US dollars) per year where more than three chapters are being used in the teaching of a course. More specifically, for university and college instructors using this work in such wealthier countries, in a credit-based course where a tuition fee is accessed, students should be instructed to purchase the paid version of this content on Google Play which is organized as one

of six Parts (organized chapters). One exception to this request is a situation where a student is experiencing financial hardship. In this case, the student should use the individual chapters which are available from Google Play for free. The cost of these Parts works out to only \$0.99 per chapter in USA dollars, a very small fee for my work. When the entire textbook (30 chapters) is finished its cost will be only \$29.70 in USA dollars. This is far less expensive than similar textbooks from major academic publishing companies whose eBook are around \$50.00 to \$90.00. Further, revenue generated from the sale of this academic textbook will provide “the carrot” to entice me to continue working hard creating new and updated content. Thanks in advance to instructors and students who abide by these conditions. IMPORTANT - This Google Play version is best viewed with a computer using Google Chrome, Firefox or Apple Safari browsers.

*Let the Great World Spin* May 30 2022 NATIONAL BOOK AWARD WINNER • Colum McCann’s beloved novel inspired by Philippe Petit’s daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann’s stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author’s most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann’s powerful allegory comes alive in the unforgettable voices of the city’s people, unexpectedly drawn together by hope, beauty, and the “artistic crime of the century.” A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a “fiercely original talent” (*San Francisco Chronicle*), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. BONUS: This edition includes an excerpt from Colum McCann’s *TransAtlantic*. “This is a gorgeous book, multilayered and deeply felt, and it’s a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There’s so much passion and humor and pure life force on every page of *Let the Great World Spin* that you’ll find yourself giddy, dizzy, overwhelmed.”—Dave Eggers “Stunning . . . [an] elegiac glimpse of hope . . . It’s a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it’s a novel about families—the ones we’re born into and the ones we make for ourselves.”—USA Today

*The Distance Between Us* Oct 03 2022 In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this “compelling...unvarnished, resonant” (*BookPage*) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the

Mexican border to “El Otro Lado” (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.
