*The Tunnels of Cu Chi* Dec 11 2020 At the height of the Vietnam conflict, a complex system of secret underground tunnels sprawled from Cu Chi Province to the edge of Saigon. In these burrows, the Viet Cong cached their weapons, tended their wounded, and prepared to strike. They had only one enemy: U.S. soldiers small and wiry enough to maneuver through the guerrillas' narrow domain. The brave souls who descended into these hellholes were known as "tunnel rats." Armed with only pistols and K-bar knives, these men inched their way through the steamy darkness where any number of horrors could be awaiting them—bullets, booby traps, a tossed grenade. Using firsthand accounts from men and women on both sides who fought and killed in these underground battles, authors Tom Mangold and John Penycate provide a gripping inside look at this fearsome combat. *The Tunnels of Cu Chi* is a war classic of unbearable tension and unforgettable heroes. Praise for *The Tunnels of Cu Chi* "A claustrophobic but fascinating tale."—*The Wall Street Journal* "Chilling . . . what war really was and how it was fought."—*The New York Times* "Gripping . . . highly recommended."—*The Philadelphia Inquirer* "Remarkable."—*The Washington Post*

**Betrayal in Berlin** Apr 14 2021 "A riveting and vivid account. . . . A remarkable story. . . . It reads like a Hollywood screenplay." –Foreign Affairs The astonishing true story of the Berlin Tunnel, one of the West's greatest espionage operations of the Cold War—and the dangerous Soviet mole who betrayed it. Its code name was "Operation Gold," a wildly audacious CIA plan to construct a clandestine tunnel into East Berlin to tap into critical KGB and Soviet military telecommunication lines. The tunnel, crossing the border between the American and Soviet sectors, would have to be 1,500 feet (the length of the Empire State Building) with state-of-the-art equipment, built and operated literally under the feet of their Cold War adversaries. Success would provide the CIA and the British Secret Intelligence Service access to a vast treasure of intelligence. Exposure might spark a dangerous confrontation with the Soviets. Yet as the Allies were burrowing into the German soil, a traitor, code-named Agent Diamond by his Soviet handlers, was burrowing into the operation itself. . . . Betrayal in Berlin is Steve Vogel's heart pounding account of the operation. He vividly recreates post-war Berlin, a scarred, shadowy snake pit with thousands of spies and innumerable cover stories. It is also the most vivid account of George Blake, perhaps the most damaging mole of the Cold War. Drawing upon years of archival research, secret documents, and rare interviews with Blake himself, Vogel has crafted a true-life spy story as thrilling as the novels of John le Carré and Len Deighton. Betrayal in Berlin includes 24 photos and two maps.

**Tunnel Vision** May 28 2022 For an African-American, the police department seemed to be an enemy; something to be feared not embraced. Brown's decision to join the ranks of New York's finest would be one of the toughest decisions he would ever have to make, a decision he would have to live with for the rest of his life. Tunnel Vision is an experience filled with excitement, chills and the unexpected. A journey on the subway of New York thru the eyes of a retired NYC Transit Police Officer. Never again will the everyday routine of commuting on the underground rails be taken for granted. The visions seen and now revealed will make even the most hardened veteran traveler of the subway look at the concrete and cold steel in a different manner. The visions that will be shared can only be seen in the underground beast that is the subway of New York. Come see if: "You got tunnel vision or what!"

**FASNY Fire Service Laws of the State of New York 2022 Edition** Jan 24 2022 Produced in cooperation with the Firemen's Association of the State of New York, this all-in-one reference guide combines Fire and Emergency Services related Statutes, Rules, and Regulations. *The Tunnel* Apr 02 2020 He is a lieutenant of detectives in charge of homicide. He is haunted by a terrible and debilitating secret. A secret that could cost him his career as a police officer or even cost him his life. Now he is forced to confront this secret as he hunts for a serial killer who has descended on his City. A cold and calculating killer who is attacking and slaughtering the homeless of the City. Unaware that as he hunts down the killer his secret is known. Known by the very killer he seeks.

**Mirth of a Nation** Nov 09 2020 A salvo of hilarity from that loose canon of American humor that Mirth of a Nation editor Michael J. Rosen has culled from some 1200 pages of brilliantly original works by our best contemporary humorists. This action-packed compilation of highlights includes Bobbie Ann Mason's stint at the La Bamba hotline, David Rakoff's insights on families, Andy Borowitz's memoir of Emily Dickinson (basically, she was a drunken jerk), and Michael Feldman's helpful (re)locating of the Midwest.

*Spiral (Tunnels #5)* Jul 06 2020 Spinning out of control! Just when you thought it couldn't get any deeper, darker, or weirder... Creeping into the open through cracks in the earth, the Styx have surfaced, and are now infesting England like some parasitic scourge -- carriers of a bizarre black secret that will place every last Topsoiler in mortal peril. Unless Will Burrows puts a stop to the propagation. Armed to the teeth, with little more than a motley crew of former commandos as reinforcements, can Will, Chester, and Elliott find a way to squash the threat? Or will they only find themselves in a deadly downward SPIRAL?
