[Strengthen Your Paintings with Dynamic Composition](#) Jul 21 2019 Create compelling

paintings by mastering compositional techniques While happy accidents may occasionally contribute to producing strong, eye-catching paintings, conscious painting is more important. According to author Frank Webb, "Composition is more important than fact, technique, or subject." To create compelling, expressive works, you must make the composition the foundation of your plan. This book provides example-by-example demonstrations of how you can achieve this. The works of 24 professional artists included in this book give you an over-the-shoulder look at how to apply composition techniques. Armed with this

information, you can paint a powerful picture and--just as importantly--analyze and improve a work that has gone wrong. "Strengthen Your Paintings with Dynamic Composition" is an indispensable addition to the artist's library that you will read and re-read. Webb's memorable instruction will guide the beginner through composition challenges and serve as a reference for the more experienced painter. Frank Webb, a professional artist since 1947, is a Dolphin Fellow of the American Watercolor Society, which he has represented in international exhibitions in Canada, New York, England,

Scotland, and Mexico City. A guest instructor in all 50 states, juror, and lecturer, Webb has received over 110 major medals and awards from national competitions, including six from the American Watercolor Society. Collectors of Webb's paintings include National Taiwan Arts Education Center, Baylor University, Palmer Museum of Art at Penn State University, Portland Museum of Art, and South Arkansas Arts Center, to name a few. Webb is featured in "Who's Who in American Art" and "Who's Who in the East," and he is also a member of the Allied Artists of America, Audubon Artists, the Rocky Mountain National Watermedia

Old In Art School Jan 27 2020 A finalist for the National Book Critics Circle Award, this memoir of one woman's later in life career change is “a smart, funny and compelling case for going after your heart's desires, no matter your age” (Essence). Following her retirement from Princeton University, celebrated historian Dr. Nell Irvin Painter surprised everyone in her life by returning to school--in her sixties--to earn a BFA and MFA in painting. In *Old in Art*

School, she travels from her beloved Newark to the prestigious Rhode Island School of Design; finds meaning in the artists she loves, even as she comes to understand how they may be undervalued; and struggles with the unstable balance between the pursuit of art and the inevitable, sometimes painful demands of a life fully lived. How are women and artists seen and judged by their age, looks, and race? What does it mean when someone says, "You will never be an artist"? Who defines what an artist is and all that goes with such an identity, and how are these ideas tied to our shared conceptions of beauty, value,

and difference? Bringing to bear incisive insights from two careers, Painter weaves a frank, funny, and often surprising tale of her move from academia to art in this "glorious achievement--bighearted and critical, insightful and entertaining. This book is a cup of courage for everyone who wants to change their lives" (Tayari Jones, author of *An American Marriage*).

brings together all of Kahlo's 152 paintings in stunning reproductions.

Painting from the Source Jan 19 2022 Imagine yourself painting with no hesitations, no conflicts. Your brush dips into pots of vibrantly colored paint; inner inspiration guides your hand into lines and shapes that find their perfect places on the paper . . . Welcome! I'm Aviva Gold, your guide to the magic source. As children, all of us lived and painted intuitively. And as adults we can re-create the boundless joy of unselfconscious art by setting aside intellectual critique and self-doubt and reconnecting with the source. Remember standing at an easel as a child

and painting in a trancelike state of wonder? Somewhere along the line this freedom gets trained out of us, and we are either categorized as artists or not. Paint and remember! Return to the easel with the same childlike sense of play. My program is not about regimentation. Learn to let go of inhibitions, relinquish control, and embrace the source. Using simple materials--tempera paints, newsprint--paint without worrying about the end product. Just let go, and begin! Every human being is an artist. In Bali, one word means both "human" and "artist." Just show up and face a blank piece of paper. Tap into the source. Revitalize!

Transform! Now, imagine yourself painting . . .
