**Meaning and purpose of life** Apr 14 2021 Meaning and Purpose of Life are perhaps the most thought about, if not talked about, issues on the planet since human beings have walked on earth. This book is another attempt to understand the Meaning and Purpose of Life using the ideas of Vedanta in Indian philosophy, and of mainstream economics. Starting from first principles, Dr. Agarwal explores the core concept of Brahman in Vedanta, and builds an axiomatic foundation for understanding the meaning and purpose of life using the fundamental ideas of the Prasthanas, and in particular of The Bhagavad Gita and The

Principal Upanishads. Dr. Agarwal adheres to the philosophy of Karma Yoga as his chosen area of interest for the exploration of meaning and purpose, which allows him to seek linkages between the concepts of social welfare in Vedanta and economics. Ideas of lokasamgraha in Indian philosophy and of externalities in economics provide a clear common ground between the two apparently disparate disciplines. Throughout the book, he emphasizes simple practical approaches for making life more meaningful and happier, while relying fundamentally on the basic ideas of Vedanta.

**The Bhagavad-Gita** Aug 31 2022 The Bhagavad-Gita, the "Song of God," is not only one of the most revered texts of Hinduism, but of world literature and spirituality in general. Its 700 verses make up a small part of the great Sanskrit epic Mahabharata, of which it can be said to be the heart. It consists of a dialogue between the warrior Arjuna and Krishna, avatar (incarnation) of the god Vishnu, about action and nonaction, knowledge and love. The Gita is revered as a concise expression of Hindu philosophy, as a work of profound poetry, and as a guide to enlightened living. It is one of the most often translated of spiritual texts, and, as is the case with other texts of its stature, new translations tend to enhance rather than exhaust our understanding of it, revealing new facets of its wisdom with each iteration. This fresh translation stands out from the many others first of all in its careful faithfulness to the original language, but also for the extensive tools for understanding it provides. It is accompanied by detailed explanatory notes, as well as by the entire Sanskrit text on facing pages--both in the original Devanagiri alphabet and in a romanized version that allows the reader to approximate the sounds of this work that began with oral recitation (a pronunciation guide is also provided). Also included is a literal, word-for-word translation for comparison; extensive material on the background, symbolism, and influence of the Gita; and an exhaustive glossary of terms. It's like a course on the Bhagavad-Gita in a book.

**Managing VUCA Through Integrative Self-Management** Jun 16 2021 In this book, experts discuss whether volatility, uncertainty, complexity and ambiguity (VUCA) represent a challenge or a business

opportunity. More intense debates on global climate change, increased turbulence in financial quarters, increased job insecurity and high levels of stress at the workplace are attracting attention in the context of organization behavior and entrepreneurship. Fear and confusion have become part and parcel of business, often undermining trust, cooperation and inspiration. As a response, a new way of organizing self-management has emerged. The book combines practical wisdom from East and West, to develop integrative self-management theory and practice; provides direction to support an integrative mind-set, integrative organization and integrative leadership; and presents VUCA as an opportunity and necessity for development and growth, rather than a threat.

Shreemad Bhagavad Gita May 28 2022 The Shreemad Bhagavad Gita is one of the most ancient scriptures in the world. Of all the scriptures, it is said that Gita provides the deepest and most practical knowledge about faith, devotion, surrender, detachment, and a release of expectations and ownership over one's own actions. But like any teaching, time and unqualified minds can distort scriptures like this and misrepresent what is contained within. It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the Gita and to demonstrate the simplicity and power of the divine message of the Lord. One such Master is Paramahansa Sri Swami Vishwananda, and this book is his personal commentary on this timeless knowledge. Included here are over 900 pages of verses, translations, drawings for every chapter, and Paramahansa Vishwananda's extensive commentary. Perfect for the beginner as well as those who have read other commentaries, this is more than just a book. It is a guiding light that can be applied to every day, to every thought, and to every moment.

**Sai Spiritual Mystic Wisdom** Sep 27 2019 In the literature published about Sai Baba of Shirdi, his divine sports are generally described overlaid with the emphasis on Hindu orientation and eulogy so as to create devotion in the readers' mind for him as a Hindu God or Deity. This has led to creation of his idolatry. There is hardly any literature available that deals with his spiritual mystic wisdom, which can be seen

interspersed in his conversations and occasional seemingly, bizarre utterances on certain occasions. He used to suggest certain books to his close devotees for Shraavan, Manan and Nidhidhyasan in the conclave of the learned ones among them, and also at times himself making their expositions in his conversations. In the present book an authoritative attempt is made to delineate The Spiritual Mystic Wisdom of Sai Baba based on integration of Sahaj Raj Yoga, Karm Yoga, Bhakti Yoga and Jnana Yoga as he used to refer to devotees for their spiritual pursuits. Acharya Purushottamananda, former Professor of Education, Jamia Millia Islamia University, New Delhi, was born on 28<sup>th</sup> January, 1935 in a Jat Zamindar family with historic tradition of valour and patriotism in Tehsil Iglas of Aligarh District. He came in contact with the Revolutionary movement for the independence of India, and the Arya Samaj Movement under the legendary leadership of Raja Mahendra Pratap of Mursan. He received his education leading to the post-graduation in Political Science at Aligarh. He joined the government of India service in the Ministry of Rehabilitation, but later went for further education. He received Master's degree in Education from the University of Aligarh and also from the University of Manchester, UK. Presently, he is engaged in peripatetic mission by joining spiritual congregation of different orders, where he is welcome; but has no organizational links with any religious or cult organizations.

**Sources Of Our Cultural Heritage** Sep 07 2020 India is one of the most ancient civilizations. India is a land of many creeds, the cradle of mankind, the motherland of language, the mother of history, the grandmother of epics and the great grandmother of traditions. Our cultural heritage is ancient, vast, rich and blissful and its sources are—four Vedas, 18 Puraanas, 108 Upanishads, the Ramayana, the Mahabharata consisting of about one lakh verses, the Agamas of the Jains, the Tripitikas of the Buddhists, the Guru Granth Sahib of the Sikh brothers and the holy words of the pious saints of different regions. As the time has passed, lack of knowledge about the same has failed to create self pride and esteem for these. Also, unfortunately, during the last few centuries, due to external attacks on the country, particularly

those by the British, India has lost its capacity of guiding the world. The newly educated generation of this country today is totally unaware of the culture, traditions, philosophy and life values of this country. Sources of Our Cultural Heritage will open the eyes of the people, trying to distance themselves from Hinduism. This book will let them know the great commonalities. It gives valuable knowledge and information about our vast and enriched cultural heritage in a very simple and lucid language.

**Spiritual Wisdom** May 16 2021 Everything and every word about spirituality have already been said but the practical utility of spiritual wisdom in day to day life to achieve success and live a blissful life is lacking. Spiritual wisdom not only shows us the path of salvation and freedom but also helps us to figure out the solutions for every problem in all walks of human life and civilization. Spirituality is a well-defined, scientific way to get any goal in life whether it is for justified worldly desires or to fulfil the urge of salvation with a blissful route. The book is an important read for the present generation, i.e. our youth as well as the persons those who want to touch the divinity within. Due to the universal nature of Spiritual Wisdom, it is bound to be on the shelves of the coming generation as spiritual science is not something that can be restricted to any one generation. The book itself contains the aura of mysticism and a touch of the great teaching taken from the scriptures. The book will teach how spiritual wisdom may change a person's life.

*The Essence of Gita* Jul 30 2022 "We see our lives full of distress and on the other side we see Krishna playing his flute and dancing". Since time immemorial, the magnificent and excellent guidance of the Bhagavad Gita has charmed the truth-seekers all over the world. . Yet its deepest meaning has remained vague. Corporate trainer, coach and spiritual guru Shashank Kasliwal has beautifully brought out the spirit of Krishna's Gita by connecting its characters to the human mind. The different personalities Gita talks about symbolises the various mental and emotional states a seeker can relate to. Kasliwal's the Essence of Gita

discusses, with recommended sadhnas and meditations, the key to awaken the sleeping consciousness. There is an ongoing war, Mahabharata, in our mind that is turning the body into a battleground, the Kurukshetra to reclaim bliss. Using Krishna's wisdom as a launch pad, Kasliwal brings to life words that have the power to change the way we see the world, change the way we see religion and above all, change the way we are. No animal feels the suffering because they are utterly contented as they are. Man is the only animal who is fundamentally unhappy. Hence, the feeling of disgrace - because he knows, he can be free. "We have been treading on the wrong path because we have not found the right one for us." -Shashank Kasliwal

**Hindutva** Sep 19 2021 Hindutva is such a geo-cultural concept that has respect, place and feeling of coexistence for everybody. This synchronicity oriented cultural consciousness has made it quite liberal, tolerant and flexible. The situation deteriorated when cultures of external invaders taking advantage of the liberality of this overtolerant culture and started cutting very roots of the same. Too much permissiveness of Hindutva was treated as their cowardice and every possible effort was made to destroy all its basic elements. Even today, various kinds of conspiracies are being hatched with similar aim. Forbearance has turned the supporters and followers of 'Hindutva' i.e. 'Indianness' indifferent, impotent and fatalistic. The common-good-oriented philosophy of self-righteousness did not imply that on the level of this world and behaviour, we forget our duty towards ourselves and not be alert to self-defence. The policy of abandonment in the face of invaders has nothing to do with the philosophy and principle of coexistence and tolerance. Every time Hindutva failed to fight the invading enemies, they had to not only suffer humiliation but also live under their subjugation. Hindutva is so devoted to pursuit of truth that it does not compromise on any account. For Hindutva, existence of this world is not the real truth, rather it is an illusion; in other words, whatever is there in reality is a form of an eternal and true non-dual Brahman. —From this book

**The Dharma of Justice in the Sanskrit Epics** Jun 04 2020 This book

shows that many characters in the Sanskrit epics - men and women of all varnas and mixed-varna - discuss and criticize discrimination based on gender, varna, poverty, age, and disability. On the basis of philosophy, logic and devotion, these characters argue that such categories are ever-changing, mixed and ultimately unreal therefore humans should be judged on the basis of their actions, not birth. The book explores the dharmas of singleness, friendship, marriage, parenting, and ruling. Bhakta poets such as Kabir, Tulsidas, Rahim and Raidas drew on ideas and characters from the epics to present a vision of oneness. Justice is indivisible, all bodies are made of the same matter, all beings suffer, and all consciousnesses are akin. This book makes the radical argument that in the epics, kindness to animals, the dharma available to all, is inseparable from all other forms of dharma.

*Yatharth Geeta English* Jan 24 2022 5200 years long interval Srimad Bhagavad Gita in its authentic and everlasting exposition. Yatharth Geeta - The Geeta in its True Perspective Shreemad Bhagwad Geeta - Science of Religion for Mankind What were the inner feelings and emotions of Shri Krishn when he preached the Geeta? All inner feelings cannot be expressed in words. Some can be told, some are expressed through the body language, and the rest are to be realised which can only be understood by a seeker through experiences. Only after attaining the state which Shri Krishn had been to, an accomplished teacher knows

what Geeta says. He simply does not reiterate verses of the Geeta but, in fact, gives experiences to the inner feelings of the Geeta. This is possible because he sees the same picture which was there when Shri Krishn preached the Geeta. He therefore, sees the real meaning, can show it to us, can evoke the inner feelings and would lead us on the path of enlightenment. Rev. Shri Paramhansji Mahraj was also an enlightened teacher of such a level and the compilation of his words and blessings to grasp the inner feelings of the Geeta itself is the 'Yatharth Geeta'. - Swami Adgadanand

**Guyanese Achievers Usa & Canada** Dec 23 2021 Guyanese Achievers, USA and Canada is the result of collaboration between Vidur Dindayal and the Guyanese diaspora, who shared with him its recommendations on whom to identify as examples of achievement. This volume chronicles Guyanese people who reflect their nations rich multi-ethnic heritage. These people demonstrate that Guyanese have been successful in North America for a long time. For example, Sir James Douglas became the governor of the colony of Vancouver Island and later the colony of British Columbia in the 1850s. Today, he is considered the father of British Columbia. For Guyanese, he is Guyanas first gift to Canada. A statue of Sir James Douglas was unveiled in 2008 at his birthplace in Belmont, Mahaica. At the end of the first decade of the twenty-first century, the list of Guyanese who have been gifts to the United States and Canada is impressive. Guyanese Achievers, USA and Canada celebrates the academics, actors, doctors, educators, entrepreneurs, and others who, by demonstrating inventiveness and persistence, have been recognized as exemplars of Guyanese achievement in North America.

(GIBR) is a gripping corporate saga of a current-day IT company, EmergePro, in the crucial years between the Chennai floods to the COVID19 lockdown. Emerge Pro is about to make a pathbreaking announcement. The protagonist of the story Krishna Prasad (KP), after a successful stint as its CEO, steering EmergePro from decline to unimaginable growth within a span of five years, is the architect of this surprise move. The story begins with an employee get-together, where the suspense is to be broken with an announcement by the founder. It weaves through the memory shares of the past five years of the stakeholders in this growth story. KP, an outsider CEO recruited before Chennai floods, has to find his way through the maze of corporate relationships and win the support of a diverse and disinclined leadership team. The journey winds through diverse ethnicity and leadership styles - weak leader Ananth Ram, indifferent Subendu Das, intimidatingly aggressive Suhas Ratnam, caring MD Rengarajan, faithful Neha Khosla, naïve and enthusiastic Krithika, talented but not-so-confident Ashok Kumar, ever-grateful Swetha Prakash, etc. - a complex intertwined spaghetti of minds. KP has to carefully use his fork without breaking the links. How the wisdom of the stories KP had learned in his childhood from his grandma helps him overcome the challenges faced by him is a great learning and a great read as well.

**Ancient Indian Scriptures and Human Resource Management** Apr 26 2022 Indian scriptures are the treasure hove of philosophy—the philosophy of work and life. They offer vital guidelines on Psychology,

Sociology, Political Science, Social Psychology, Human Behavior and Modern-day Management concepts. Ancient Indian scriptures such as the Bhagavad Gita, Upanishads and some parts of Mahabharata are included in the book for HRM topics such as self-management, ethics, values, work potential, motivation, leadership, boss management, stress management and interpersonal relationships, etc. The study used quantitative methodology and collected data from 273 participants working in ten Indian companies. The statistical results have been included in the book only briefly to retain flow and fluency of thought for the reader. The work addresses the vital HR management issues in a culturally sensitive approach that is thoroughly based on Indian scriptural advices. The study proposes to plug the gaps in existing management knowledge that is lopsidedly based on the Western management research and theories. Resultantly, Arjuna Syndrome Model and Krishna Cure Model are presented. These models plug in the gaps in existing literature in the HRM and advance theory by suggesting novel ways of managing emotions, motivation, leadership, interpersonal relationships, recruitment and work potential at workplace.

GITA for Gen A to Z Jun 28 2022 Yog Vaashishth: 'Action and knowledge are two wings of bird that must flutter in harmony to reach the horizon of

liberation.' A practiser controls his Indriys as a dog controls his wagging tail; otherwise, the tail may start wagging the dog. Achieving personal liberation is not the finale of Gita; fulfilling duties is also important. God is the beneficiary of all good works as the government receives all taxes. Mountaineers practise regulated breathing. Similarly, Krishn teaches Praanaayaam to enable practisers to climb upwards in the rarefied atmosphere of spirituality. Equality is the Acropolis where different streets of Yogic practices converge. Attaining Yog through meditation is like operating a bank locker. Its customer, the meditator, holds the first key of relentless practice. Banker, the God, applies His key and opens the locker only after the customer applies his key properly. An expert tennis player practises same shot repeatedly to make his muscles memorize it, and respond accurately in real play. A Yogee should similarly keep his body, mind and soul fit. A spark ignites a firecracker that causes more fireworks. Similarly, every spark of Sakaam Karm generates a chain of reactions. We must extinguish such sparks with water of self-control.
