Human Resources Management: Concepts, Methodologies, Tools, and Applications Aug 09 2020 Human resources management is essential for any workplace environment and is deemed most effective when a strategic focus is in place to ensure that people can facilitate that achievement of organizational goals. But, effective human resource management also contains an element of risk management for an organization which, as a minimum, ensures legislative compliance. *Human Resources Management: Concepts, Methodologies, Tools, and Applications* compiles the most sought after case studies, architectures, frameworks, methodologies, and research related to human resources management. Including over 100 chapters from professional, this three-volume collection presents an in-depth analysis on the fundamental aspects, tools and technologies, methods and design, applications, managerial impact, social/behavioral perspectives, critical issues, and emerging trends in the field, touching on effective and ineffective management practices when it comes to human resources. This multi-volume work is vital and highly accessible across the hybrid domain of business and management, essential for any library collection.

Murder in the Shenandoah May 18 2021 Tells the story of a sensational 1791 Virginia murder case, and explores Revolutionary America's debates over justice, criminal punishment, and equality before the law.

Financial Management and Policy Jun 30 2022 Integrating financial theory and practice, this text explores the theory of finance as it relates to a corporation's investment in assets, financing and dividends. It explains ways in which analytical techniques are brought to bear on financial decision making and supplies the institutional material necessary to aid in student's understanding of the environment in which financial decisions are made.

In Defense of Looting Jul 20 2021 A fresh argument for rioting and looting as our most powerful tools for dismantling white supremacy Looting—a crowd of people publicly, openly, and directly seizing goods—is one of the more extreme actions that can take place in the midst of social unrest. Even self-identified radicals distance themselves from looters, fearing that violent tactics reflect badly on the broader movement. But Vicky Osterweil argues that stealing goods and destroying property are direct, pragmatic strategies of wealth redistribution and improving life for the working class—not to mention the brazen messages these methods send to the police and the state. All our beliefs about the innate righteousness of property and ownership, Osterweil explains, are built on the history of anti-Black, anti-Indigenous oppression. From slave revolts to labor strikes to the modern-day movements for climate change, Black lives, and police abolition, Osterweil makes a convincing case for rioting and looting as weapons that bludgeon the status quo while uplifting the poor and marginalized. *In Defense of Looting* is a history of violent protest sparking social change, a compelling reframing of revolutionary activism, and a practical vision for a dramatically restructured society.

The Canadian National Record for Swine Nov 11 2020

US Army Order of Battle, 1919-1941 Jan 02 2020

In Love Oct 30 2019 NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that “enriches the reader's life with urgency and gratitude” (The Washington Post) “A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious.”—USA Today ONE OF THE BEST BOOKS OF THE YEAR: NPR
Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, In Love is an unforgettable portrait of a beautiful marriage, and a boundary-defying love.

Trust Fund Titan Feb 24 2022 It starts as a kiss in the dark. A secret. If she has her way, that's where it ends. But if he has his way, it's just the beginning. I left professional sports to come back to Manhattan. I'm determined to make my mark on this city, one skyscraper at a time. Eva Daniels is my neighbor, my newest employee, and the mother of the sweetest twins I've ever met. She is completely off-limits. Too bad my heart didn't get the memo. Bryce Van Horne is a billionaire playboy I can't even pretend to take seriously. He goes through women like my kids go through candy— Always ready for the next bite. He offers me a job that's exactly what I'm looking for. It's perfect. There's only one problem. So is he.

We Are Soldiers Still Dec 01 2019 “Powerful. . . . A candid, highly informative, and heartfelt tale of forgiveness between former fierce enemies in the Vietnam War.”—St. Petersburg Times The #1 New York Times bestseller We Were Soldiers Once . . . and Young brought to life one of the most pivotal and heartbreaking battles of the Vietnam War. In this powerful sequel, Lt. Gen Harold G. Moore and Joseph L. Galloway bring us up to date on the cadre of soldiers introduced in their first memoir. Returning to Vietnam's Ia Drang Valley more than four decades after the battle, Moore and Galloway renew their relationships with ten American veterans of the fabled conflict—and with former adversaries—exploring how the war changed them all, as well as their two countries. We Are Soldiers Still is an emotional journey back to hallowed ground, putting a human face on warfare as the authors reflect on war's devastating cost. The book includes an Introduction by Gen H. Norman Schwarzkopf.

Historical Painting Techniques, Materials, and Studio Practice May 06 2020 Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled “Historical Painting Techniques, Materials, and Studio Practice” at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

Order of Battle of the United States Land Forces in the World War Jun 06 2020

The Witches of Eastwick Apr 16 2021 “John Updike is the great genial sorcerer of American letters [and] The Witches of Eastwick [is one of his] most ambitious works. . . . [A] comedy of the blackest sort.”—The New York Times Book Review Toward the end of the Vietnam era, in a snug little Rhode Island seacoast town, wonderful powers have descended upon Alexandra, Jane, and Sukie, bewitching divorcees with sudden access to all that is female, fecund, and mysterious. Alexandra, a sculptor, summons thunderstorms; Jane, a cellist, floats on the air; and Sukie, the local gossip columnist, turns milk into cream. Their happy little coven takes on new, malignant life when a dark and moneyed stranger, Darryl Van Horne, refurbishes the long-derelict Lenox mansion and invites them in to play. Thenceforth scandal flits through the darkening, crooked streets of Eastwick—and through the even darker fantasies of the town's collective psyche. “A great deal of fun to read . . . fresh, constantly entertaining . . . John Updike [is] a wizard of language and observation.”—The Philadelphia Inquirer “Vintage Updike, which is to say among the best fiction we have.”—Newsday

Principles of Managerial Finance Oct 11 2020

Instructors Manual Aug 28 2019

Finance Dec 25 2021 FINANCE Created by the experienced author team of Frank Fabozzi and Pamela Peterson Drake, Finance examines the essential elements of this discipline and makes them accessible to a wide array of readers—from seasoned veterans looking for a review to newcomers needing to get their footing in finance. Divided into four comprehensive parts, this reliable resource opens with a detailed discussion of the basic tools of investing and financing decision-making—financial mathematics and financial analysis. After this informative introduction, you'll quickly become familiar with the three primary areas of finance—capital markets (Part II), financial management (Part III), and investment/asset management (Part IV)—and discover how these different areas are interconnected. Finance is a well-rounded guide to this dynamic field. The straightforward insights found here will put you in a better position to understand what the principles of modern finance are and how they can be used to make the right decisions when managing risk and return in today's complex financial environment.

Holstein-Friesian Herd-book Jun 26 2019

Hooked on a Feline Jan 14 2021 Librarian Kathleen Paulson and her inquisitive cats find themselves in a jam when a musician turns up dead, in the newest installment of this New York Times bestselling series. It's summer in Mayville Heights, and Kathleen Paulson and her detective boyfriend, Marcus, are eager to attend the closing concert of the local music festival. The concert is a success, but then one of the band members is discovered dead shortly after it. At first it's assumed the death is a robbery gone wrong, but Kathleen suspects foul play—and she's certain that she, along with her trusty side-cats, Owen and Hercules, can help solve the murder. Before his death, Kathleen had noticed the victim in the library researching his genealogy, and when she and Marcus take a closer look at the man's family tree, they begin to think a previous death of one of his relatives now seems suspicious. The more Kathleen thinks about it, the more this murder feels like it could be an encore performance. Kathleen and her cats will need to act fast and be very careful if they want to stay off of a killer's hit list.

Financial Management and Policy May 30 2022

Towing Jehovah Mar 28 2022 A satirical novel on the death of God. For inexplicable reasons he dies and falls into the sea, and the Vatican hires a supertanker to secretly tow his two-mile-long body to the Arctic for preservation. But the secret leaks out and everyone gets in on the act, exploiting God's death to their own end.

Financial Accounting Feb 01 2020

When Scotland Was Jewish Dec 13 2020 The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble

genealogies, family crests, portraiture, and geographic place names.
